

End Of School Year Prayer For Students

Dear God,

As we come to the end of this school year, we offer our thanks and praise to you for the dedication and hard work of the students. We thank you for the perseverance they showed in the face of challenges, the kindness they showed to their classmates, and the growth they achieved in their academic and personal lives.

As they prepare to move on to the next phase of their journey, we pray that they would be filled with a sense of accomplishment and satisfaction. May they see the progress they have made and the impact they have had on the lives of others.

We pray that the summer break would be a time of rest and rejuvenation for the students, and that they would return in the fall with renewed energy and enthusiasm. May they continue to learn and grow, both academically and personally, and may they be a positive influence on their peers and their community.

We ask for your blessings upon the students, their families, and their teachers. May they be filled with gratitude for the opportunities they have had and the gifts they have been given. May they always be guided by your wisdom, your love, and your grace.

We offer this prayer of blessing in your holy name, Amen.

Laugrand,Jarich G. Oosten,2019-09-19 Over the century between the first Oblate mission to the Canadian central Arctic in 1867 and the radical shifts brought about by Vatican II the region was the site of complex interactions between Inuit Oblate missionaries and Grey Nuns interactions that have not yet received the attention they deserve Enriching archival sources with oral testimony Fr d ric Laugrand and Jarich Oosten provide an in depth analysis of conversion medical care education and vocation in the Keewatin region of the Northwest Territories They show that while Christianity was adopted by the Inuit and major transformations occurred the Oblates and the Grey Nuns did not eradicate the old traditions or assimilate the Inuit who were

caught up in a process they could not yet fully understand The study begins with the first contact Inuit had with Christianity in the Keewatin region and ends in the mid 1960s when an Inuk woman joined the Grey Nuns and two Inuit brothers became Oblate missionaries Bringing together many different voices perspectives and experiences and emphasizing the value of multivocality in understanding this complex period of Inuit history Inuit Oblate Missionaries and Grey Nuns in the Keewatin 1865 1965 highlights the subtle nuances of a long and complex interaction showing how salvation and suffering were intertwined

The Schoolhouse Gate Justin Driver, 2018-09-04 A Washington Post Notable Book of the Year A New York Times Book Review Editors Choice An award winning constitutional law scholar at the University of Chicago who clerked for Judge Merrick B Garland Justice Stephen Breyer and Justice Sandra Day O'Connor gives us an engaging and alarming book that aims to vindicate the rights of public school students which have so often been undermined by the Supreme Court in recent decades Judicial decisions assessing the constitutional rights of students in the nation's public schools have consistently generated bitter controversy From racial segregation to unauthorized immigration from antiwar protests to compulsory flag salutes from economic inequality to teacher led prayer these are but a few of the cultural anxieties dividing American society that the Supreme Court has addressed in elementary and secondary schools The Schoolhouse Gate gives a fresh lucid and provocative account of the historic legal battles waged over education and illuminates contemporary disputes that continue to fracture the nation Justin Driver maintains that since the 1970s the Supreme Court has regularly abdicated its responsibility for protecting students constitutional rights and risked transforming public schools into Constitution free zones Students deriving lessons about citizenship from the Court's decisions in recent decades would conclude that the following actions taken by educators pass constitutional muster inflicting severe corporal punishment on students without any procedural protections searching students and their possessions without probable cause in bids to uncover violations of school rules random drug testing of students who are not suspected of wrongdoing and suppressing student speech for the view point it espouses Taking their cue from such decisions lower courts have upheld a wide array of dubious school actions including degrading strip searches repressive dress codes draconian zero tolerance disciplinary policies and severe

restrictions on off campus speech Driver surveys this legal landscape with eloquence highlights the gripping personal narratives behind landmark clashes and warns that the repeated failure to honor students rights threatens our basic constitutional order This magisterial book will make it impossible to view American schools or America itself in the same way again
