

## Head Girl Speech

Today I'll speak about Some of the reasons for which I believe are the reasons for me to be the head girl. Now, will you want a Head girl who is not enthusiastic or dull not taking an interest in making our school reach it's best. No, none of them will like. I believe our school is like a tree; we are all different parts of this tree, for example – The teachers are like the roots, which supplement us with knowledge and help us to grow. If I was Head Girl, I would be like the manure which the gardener spreads to enrich the ground, just that little added extra can make a big difference.

I realise that, being Head Girl isn't about being better than anyone else. It's about having the trust of the student body to organise and represent them with honesty and enthusiasm, whenever called upon. If I was chosen as Head Girl, I would want to represent you, as well as inspire you. I'm friendly and approachable, so if anything is troubling you about school life, or if you have a really good idea, you won't need to keep it to yourself. I want the student's voice, that's your voice, heard at IHS. I know being Head girl is a big responsibility.

If given the opportunity, I would take that responsibility seriously, and be a respectable role model for all specially the younger ones of our school. As a team leader, I would want to encourage all of them to e at their best. A challenge and team work both these I do enjoy and I see this as essential to be Head Girl. To pay back something to school is another reason. Over my time at IHS I have taken part in many School activities and events,etc... Now is my chance to give something back. To serve both pupils and staff is a thing I'd like to do. And yes if am choosen as one I assure you that I'll put in my best efforts for my school.
