

# TRAINING PLAN TEMPLATE

## Introduction

This section should include a general description of the training plan and an overview of what the plan will include. There is not much need for detailed information in this section as the details will be included in subsequent sections throughout the document. This section may include the purpose of the training and goals the training was designed to accomplish.

This training plan, developed by Ace Consulting, is designed to outline the objectives, requirements, strategy, and methodology to be used when providing Ace Agile Training. The purpose of this training is to train Ace Consulting Staff on various commonly used Agile Project Management methodologies and tools. This training will enable Ace Consulting Staff to work more closely with their clients to introduce Agile methodologies into their current project management practices.

## Points of Contact

This section should provide the points of contact training development, coordination, and facilitation. The points of contact may also include department or section managers and training schedulers as appropriate. Points of contact are necessary as a quick reference for the correct personnel to contacts regarding questions about training, scheduling, or requirements.

The points of contact for Ace Agile Training, as well as section training schedulers, are listed in the table below. For any questions concerning training development, coordination, or facilitation, please contact the appropriate point of contact below.

## Needs and Skills Analysis

This section should describe various aspects of the training to include the following: organizational needs, training development approach, target audience, learning objectives, and skills required to meet learning objectives. This section is important in establishing the foundation of the overall training plan. It provides a description of what the organization's needs are, how the training was developed, and the skills and learning objectives required to meet these needs.

Ace Consulting has identified the need for its consulting group to gain a better understanding and more familiarity of Agile Project Management methods and framework. As our clients have expressed a desire to move into managing projects through Agile methodologies, Ace Consulting's employees must be better positioned to help their customers achieve this approach. ## How To Write Training Guides:

**How to Write Terrific Training Materials** Jean Barbazette, 2013-04-17 Now you can access Jean Barbazette's systematic process for creating winning training materials that will help raise your skills to the next level. The book is filled with easy to use tools and templates that answer all the questions trainers, course designers and subject matter experts (SMEs) have about what it takes to develop training materials and how they can easily create the best training program in the shortest amount of time. Jean is a master at providing her readers with new ideas and innovative approaches to the art of delivering excellent learning solutions. Our field has gone through so many changes and Jean is on top of them and out in front all at the same time. Bravo Beverly Kaye, founder, chairman of the board, Career Systems International and coauthor of *Help Them Grow or Watch Them Go*. Barbazette has done it again; she has made your job easier with step by step guidelines for developing training materials. Jean covers the entire process in her typical easy to follow manner, simplifying the complicated and making you the hero. Don't miss this one. Elaine Biech, ebb associates inc and author of *The Business of Consulting*. Once again, master trainer Barbazette has provided an elegantly simple step by step guide to what can often be the most tedious part of the training process: writing training materials that support and expand a learner's results. Both seasoned professional and newcomer will find this an easy to follow guide and valuable resource to be used over and over. Eileen McDargh, president, McDargh Communications and author of *Talk Ain't Cheap*. It's Priceless. Barbazette is back to fill another gap in the training literature. This extensive work on how and when to write training materials is chock full of templates and other tools. Systematic and thorough, this is an exceptional guide for those wanting to efficiently create successful training interventions.
