Back then Garyn was rather put out when Clive accepted the dark kiss and then took off to avenge his sister's murder. She was looking for a new family. He was looking for lethal skills. And so Garyn has had plenty of time to align her forces. When her allies begin stepping out of the shadows, Clive's foundation will be shaken. Stheno and her sisters are adding to their rather impressive portfolio of businesses around the world by acquiring The Viper's Nest Roadhouse. Caf Medusa found the place when she was visiting San Francisco. A dive bar filled with hot tattooed bikers. Yes, please, Clive, and I will need neutral territory for our meeting with Garyn and a biker bar/caf. Stheno insisted should fit the bill. I'd assumed my necromancy would give us an advantage. I hadn't anticipated though just how powerful Garyn and her allies were. When the fangs descend and the heads start rolling, it's going to take every friend we have and a nocturne full of vamps at our backs to even the playing field. Wish us luck. We're going to need it.

Between Two Trailers J. Dana Trent, 2024-04-16 A powerful unforgettable memoir about a girl who escapes her childhood as a preschool drug dealer in rural Indiana only to find that no one can really make it out until they make peace with where their story began. Home. Home it turns out is where the war is. It's also where the healing begins. Dana Trent is only a preschooler the first time she uses a razor blade to cut up weed and fill dime bags for her schizophrenic father, King. While King struggles with his unmedicated psychosis, Dana's mother, the Lady, a cold and self-absorbed woman whose personality disorders rule the home, guards large bricks of drugs from the safety of their squalid trailer. But when the Lady impulsively plucks Dana from the Midwest and moves the two of them south, their fresh start results in homelessness and bankruptcy. In North Carolina, Dana becomes torn between her gritty midwestern past and her newfound desire to be a polite southern girl struggling to reconcile her shame with an ache to figure out who she is and where she belongs. But the past is never far behind. After persevering through childhood and eventually graduating from Duke University, Dana imagines that her hidden Indiana life is finally behind her only to realize that running from her upbringing has kept her from making peace with the people and places that shaped her. Ultimately, Dana finds that though love for family is universally complicated, there is no shame in survival and for those who want it, there is always a path home.
