

Example of Case Analysis Writing

Below is an example of what I consider excellent work. As you read through this example, note how clearly the author applies concepts from the course (this was a class on organizational change) and applies them to the case. This application is clear and explicit.

For example, the first section of this paper deals with the problems Disney faces. This author suggests that Disney's "strategic context" is an important issue. "Strategic Context" is a key concept from the literature this class read on managing organizational change. Note how the author introduces the concept, clearly defines it, and then uses that concept to analyze Disney. In this discussion, evidence regarding Disney's strategic context is clearly presented and discussed/ evaluated using the concept.

The September 6, 1999 *Fortune* article entitled, "Eisner's mousetrap," describes the well known Disney Company as a large organization (\$24 billion in revenue in 1999) that "has simply stopped growing." The status of the company was examined in detail by the article and a number of problems were revealed. This paper is based on the information provided by the article and is divided into two sections. The first section discusses four reasons for the difficulties currently confronting the Disney Company. The second section offers suggestions that would allow Disney to address the difficulties it now faces as it successfully changes.

Reasons Why Disney is Facing Difficulties

The myriad of problems facing Disney can be traced to four causes. The difficulties began with a dramatic shift in the strategic context under which the company operates. This shift highlighted shortcomings in the company's structure and culture. And CEO Michael Eisner's hands-on, meddlesome approach has thwarted efforts to turn around the company.

Disney's strategic context. Tushman and O'Reilly define strategic context as three key factors that help managers understand the opportunities and constraints that lie before their organizations. The factors are: (1) the environment in which the organization operates, (2) the resources available to the organization, and (3) the history of the organization. The strategic context is the vital first step in Tushman and O'Reilly's congruence model. Once the strategic context is understood, strategic choices can be made, critical tasks defined, and alignment checked between those critical tasks and the organization's people, organization, and culture. If that strategic context is altered, however, choices can be incorrect, critical tasks off target, and relationships misaligned.

Disney's strategic context has undergone dramatic changes in recent years. Its competitive environment, its customers, its market position, and its history have all combined to alter its strategic context.

Disney used to have the same markets (particularly the kids market) to itself, but in broadcasting Disney is now a "poor third" behind Nickelodeon and the Cartoon Network among kids aged 2 to 11 and in popular kids shows (and related merchandising) Disney has nothing to compare to Nickelodeon's *Blue's Clues*, PBS's *Teletubbies* and WB's *Pokemon*. In videogames, Disney is an "also-ran." Disney used to be the only studio to produce animated features, but now Warner, Dreamworks, and Fox all do. Even Disney's

How To Write A Case Study Analysis Paper

Jeremy Harris Lipschultz

How To Write A Case Study Analysis Paper:

Whispering the Strategies of Language: An Psychological Journey through **How To Write A Case Study Analysis Paper**

In a digitally-driven world where displays reign supreme and immediate transmission drowns out the subtleties of language, the profound strategies and psychological subtleties hidden within words usually go unheard. Yet, set within the pages of **How To Write A Case Study Analysis Paper** a charming literary treasure pulsating with natural thoughts, lies a fantastic quest waiting to be undertaken. Written by a skilled wordsmith, this charming opus encourages visitors on an introspective trip, delicately unraveling the veiled truths and profound influence resonating within the very fabric of every word. Within the emotional depths of this emotional evaluation, we will embark upon a honest exploration of the book is key themes, dissect its charming writing style, and fail to the powerful resonance it evokes deep within the recesses of readers hearts.
