

Points to Note When Turning Off the Main Power Switch

Before turning off the main power switch, be sure to hold down the control panel power switch for 3 sec or more and go through the shut-down sequence while keeping the following in mind:

1. be sure that the **Execute Memory** lamp on the control panel is off.
2. do not turn off the main power switch while downloading is under way. Otherwise, the machine may fail to operate.
3. If the heater switch is on, the cassette heater and the drum heater remain powered even after the main power switch has been turned off.
