Teacher Guide for This Place: 150 Years Retold Christine M'Lot, 2021-10-20 The graphic novel *This Place 150 Years Retold* includes a variety of historical and contemporary stories that highlight important moments in Indigenous and Canadian history. Environmental and Geographical Education for Sustainability Zijian Li, Michael Williams, 2006 Geography, environment, sustainability, culture, and education standing alone or in any combination provide the ingredients for a variety of stews. They are all difficult to define and they generate endless debates for theoreticians and practitioners about their meaning and significance. The editors have divided the chapters that follow into two parts in an effort to unit these diverse disciplines. Part 1 is concerned with cultural foundations and curriculum issues related to geographical and environmental education for sustainability. Part 2 comprises a series of chapters presenting education for sustainability in the contexts of national cultures.
