People's Guide to Estate Planning makes planning for your future as painless as possible all without the added hassle of hiring a lawyer. This practical nuts and bolts guide covers all the basics of do it yourself estate planning and covers everything you need to know about living trusts, wills, probate and estate taxes. Extra resources: a glossary of estate planning terminology, a section on frequently asked questions, samples of effective living trusts and a last will and testament as well as worksheets and essential information on how to settle an estate. Make this the best resource available for this important step in planning for the future. You'll have all the information you need to understand the legal language of a will or living trust and learn how to seek state specific laws and customs so you can tailor your plans accordingly. In addition, you can download sample documents from which you can create your own. Inside you'll learn all the basics and more. Whether you need a living trust, a will or both. Creating a valid last will and testament. Designating a successor trustee or executor to an estate. Deciding who gets what and making sure they do. Setting up a living trust and funding it with assets. Understanding durable power of attorney documents and living wills. Tax saving tips that help you leave more for your beneficiaries. Getting to know in plain English the legal language of your will or living trust. Where to download sample documents. Settling an estate with or without a valid will or living trust. It's important to take care of the ones you love after you're gone. But if your estate planning isn't done clearly, precisely and legally, you could end up creating more problems for your survivors than you solve. Do it right, do it inexpensively and do it yourself with *We The People's Guide to Estate Planning*.
