

English Language paper 1: explorations in creative reading and writing

Take a sneak peek

6 3

Look in detail at this extract, from lines 5 to 11 of the source:

"They went out laughing into the warm soft night, and the magic was about them everywhere. 'Let's walk,' he said, 'let's walk and work up an appetite for our gigantic meal,' and inevitably they found themselves by the canal and the lapping gondolas dancing upon the water, the lights everywhere blending with the darkness. There were other couples strolling for the same sake of aimless enjoyment, backwards, forwards, purposeless, and the inevitable satons in groups, noisy, gesticulating, and dark-eyed girls whispering, clicking on high heels.

How does the writer use language here to describe the scene?

You could include the writer's choice of:

- words and phrases
- language features and techniques
- sentence forms.

[8 marks]

6 3

You now need to think about the **whole** of the source.

This text is from the middle of a short story.

How has the writer structured the text to interest you as a reader?

You could write about:

- what the writer focuses your attention on at the beginning of the source
- how and why the writer changes this focus as the source develops
- any other structural features that interest you.

[8 marks]

6 4

Focus this part of your answer on the second part of the source, from line 25 to the end.

A student said, "In this part of the story, where John and Laura lose their way, the writer changes the mood dramatically, creating a sense of impending danger."

To what extent do you agree?

In your response, you could:

- consider your impressions of the change in the mood
- evaluate how the writer creates a sense of danger
- support your response with references to the text.

[20 marks]
