

Now it's easier to get help--and to help others!

If you need to find your way around Windows® XP or troubleshoot a problem, then you'll appreciate the ease of finding answers in the content-rich new world of Help and Support Center.

From one central location, you can find your system configuration, keep your computer up to date, check for software and hardware compatibility, and search across multiple sources of help and troubleshooting content on the Web as well as on your computer--quickly and easily!

If you prefer to ask friends or co-workers to help fix a problem on your computer, just send them a Remote Assistance request. Then, with your permission, they can use their own computer to view your desktop and help you just as easily as if they were in the same room.
