## **Chapter 2**

### **Exercise 2.1**

#### **Part II**

1. In dog sled races the dogs are tortured.  
Torturing animals is morally wrong.  
Therefore, dog sled races are morally wrong.
2. The children of Somalia are starving and covered with flies.  
Such a condition is extremely evil.  
A God that is loving would want to eliminate this evil if he is aware of it.  
A God that is ever-present is aware of this evil.  
A God that is omnipotent has the power to eliminate this evil.  
The evil in Somalia has not been eliminated by any God.  
Therefore, there is no God that is loving, ever-present, and omnipotent.
3. The beliefs of the creationists are mistaken, ignorant, and superstitious.  
No beliefs that are mistaken, ignorant, and superstitious should be taught in school.  
Evolution is a scientific truth.  
The beliefs of the creationists contradict evolution.  
Parents have a right to have their children taught the truth.  
The majority of parents favor the teaching of evolution.  
Therefore, the beliefs of the creationists should not be taught in school.
4. Free ownership of guns is as noble as belief in God and intestinal fortitude.  
Belief in God and intestinal fortitude made our country great and free.  
Continued belief in God and intestinal fortitude are necessary to keep our country the way it is.  
Free ownership of guns is no less important than God and intestinal fortitude.  
Therefore, gun control is wrong.
5. All killers should pay for their crimes by spending many years in jail.  
The insanity plea allows killers to spend as little as six months in a mental hospital and then be released.  
The insanity plea allows killers to avoid what is coming to them.  
Therefore, the insanity plea should be abolished.
6. Abortion and infanticide have produced a holocaust in our nation.  
These practices have resulted in the death of millions of innocent children.  
It is wrong to kill innocent children.  
All of us should oppose what is wrong.

The Top Books of the Year Logic Instructor Manual The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
