

The background of the entire image is a dark, atmospheric photograph of a mangrove swamp at night. The water is dark and still, reflecting the light from the sky and the silhouettes of the trees. The trees have dense, green foliage and prominent, light-colored prop roots that emerge from the water. In the upper left, a frigatebird is captured in flight, its wings spread wide, silhouetted against a slightly lighter, hazy night sky. The title text is overlaid on the upper half of the image.
