The United Hates of America R.E. DINLOCKER, 2010-04-30 My years writing in foreign countries had been my life until I quit When I landed at the Ft Lauderdale airport Mary Saint Baptiste from The Picayune had a job for me I really had nothing else to do and so I figured what the hell The cliché says truth is stranger than fiction but when I returned to the States it seemed like fiction had become truth I got curious as to whose truth had become the truth Having knuckled under to political pressure the press was too busy entertaining to argue for truth The media was in a love hate relationship with the public that

definitely accentuated the hate The relationship had spawned a story when people started turning up dead So my search for truth became a murder mystery It seemed two Christian ministers who hated each other had banded together to attack common enemies To cover their actions they had enlisted the help of an Arab Haitian restaurateur they felt they could use as a scapegoat if things went wrong When federal officials arrested the restaurateur as an illegal alien and possible terrorist the media now a tool of whoever paid for their services came to her aid When the restaurateur became a media darling the ministers plan began to go wrong National Geographic Traveler - Miami and the Keys Mark Miller, 2016 A guide to traveling in Miami and the Florida Keys that provides information on the region s historical landmarks popular attractions nightlife restaurants hotels shops and activities with detailed maps and complete walking and driving tours
