Relational Children's Ministry Dan Lovaglia,2016-04-05 Children s ministry has the power to change the lives of kids and families Unfortunately it s not always clear that the work a person does with kids is really making a lasting difference Ask children s ministry leaders and kid influencers if they are making the impact on children s lives as they had hoped and most likely the responses will be mixed And for good reason Research over the past decade has revealed an alarming lack of long term growth in the faith community as children progress through student ministries into adulthood Clearly something needs to change Relational Children s Ministry seeks to reverse this trend by equipping children s ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long term impact Ministry leaders will Learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice Explore practical approaches to realign their children s ministry for a new trajectory by hitting three reset buttons to ensure long term discipleship is embedded Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context Children s ministry

leaders will receive practical training to refocus their children's ministry along with time tested tools to personally recommit to lifelong discipleship Kid influencers can become a disciple making community that redirects the current trajectory for this and future generations

100 Year Tribute to First Baptist Church Brandon, Florida Rear Admiral Joseph H. Miller,2016-03-29 This book is unique There is no other tribute like it The church is the people The people who are true Christians are listed in God's Book in heaven This church has survived for 100 years because of small groups of people There is no church history book that lists over 100 pages of testimonies from people about how their church has blessed them Their testimonials are a book in itself One cannot read the testimonial section and not be blessed True Christians for the first time have been given the opportunity to speak for God as a testimony to the world about one of His universal churches This book lists some of the great sermons of the ministry leaders of the church The many problems that God's people and the church must face the next hundred years are listed The churches in America are in a spiritual decline in influence and numbers The people must act Probably the only known course for this to happen is in the summary of this book There is only One Church that will be exalted and glorified during the End Times God's church founded by Jesus Apostles 2000 years ago is based on the teachings of Christ Jesus The First Baptist Church of Brandon was brought into existence by men of God based on New Testament
