Howard-Moore,2021-08-24 Adria Howard Moore is just an average middle-aged woman living an ordinary life when she gets the news she has breast cancer. She has so many questions: Are you sure? How bad is it? What's the next step? Where does God figure in all of this? Is He still in the business of healing? In *From Breast Cancer to Blessed Answer*, Howard Moore offers her unique point of view, journeying from the beginning with her breast cancer diagnosis all the way through to her victorious recovery and phenomenal reconstruction. Although the road is bumpy and takes some unexpected turns, she is blunt about her fears and shortcomings and how God used cancer to refine her and show her just how special she is to the Creator. Easy to understand, sometimes comical, but always straightforward, *From Breast Cancer to Blessed Answer* shares Howard Moore's story of walking through unknown and scary territory. It tells how a woman with breast cancer learns the disease she hates with all her might is the very conduit through which God will change her life for the better. **Nailbiter #14** Joshua

Williamson,2015-07-01 One of the biggest secrets of the serial killers is revealed. HIM Richard Stasch, O'Ken,2019-07-20 25 years after the zombie apocalypse, mankind has found a winning edge against the zombies. The solution to the zombie threat is a device called a Lifeline, a band worn around the neck. The Lifeline decapitates the wearer upon death, preventing the person who soon becomes a zombie the mobility to seek out and harm others. Soon the Lifelines became a symbolic comfort tool that removed the stress of a sudden society meltdown, and its monitoring capabilities allowed the government to know where you are at all times. Then one day a citizen wearing a Lifeline was found in a zombie-infested area. The victim was part of a string of kidnappings and murders that were happening right under the government's radar. These undetected actions seem to be caused by a lone serial killer. Now the government is worried that the citizens will find out that a psychopath knows how to manipulate the Lifelines. The government must stop HIM before there is a society meltdown.
