

King Solomon

ASKS FOR WISDOM

All About King Solomon
Bible Lesson (1 Kings 3:1-10)

King David was the 7th king of Israel. His son Solomon was chosen to be the next king after the death of King David. King Solomon made an alliance with the Pharaoh of Egypt. He made this alliance by marrying Pharaoh's daughter. Solomon then brought his new wife back with him to Israel to finish building both his palace and the temple of the Lord. Solomon was also building a wall around the city to protect it. (Circle 1)

The people worshipped the Lord by sacrifices and offerings at local places of worship. They did not yet have a temple to worship the Lord their God as it was still being built.

King Solomon loved the Lord and followed the laws of the Lord. Solomon would go to these local places of worship and burn offerings to the Lord. One day Solomon went to the most important of those places which was Gibeon and sacrificed 1000 offerings to the Lord. That very night, the Lord appeared to Solomon in a dream, and God said to Solomon, "What do you want? Ask, and I will give to you."

Solomon could have asked God for anything. What would you ask for if you had the same question? If you could have absolutely anything, what would you choose? (Give students time to answer.) What do you think Solomon chose as his answer? (Circle 2)

on became King of Israel after the
of his father King David.

Moms know all too well that God doesn't promise an easy road for us or our kids. As much as we'd love to protect them from heartaches, it just isn't possible. This is especially true during the school year when they are introduced to new teachers, new classmates, new concepts, and maybe even a new school that seems big and frightening. Jesus tells us, "In the world you will have tribulation. But take heart; I have overcome the world." John 16:33. With this reassurance, we try to reassure our children that no matter what God is there and He's on their side. And we pray. In *Everyday Prayers for the School Year*, author Tara L. Cole offers devotional readings and opportunities for mothers to pray for many issues concerning their children, such as: Are they making godly friends? Are their teachers kind and caring? Can they make wise choices in bad situations? Will they commit to studying? Are they being targeted by bullies? If they are unprepared for a test, will they trust God or cheat? No matter what our kids are facing during the school year, we can't go wrong when we pray and teach them to pray too. Our prayer is that they ultimately trust Him for their salvation, but even after they become Christians, they have the daily choice to trust God when they feel like they are standing alone and the circumstances look impossible. Tara says, "My hope for this journal is that it will help moms turn their worry about their children's school year into hope that they take their concerns to God and walk away confident that He loves our kids more than we do. And He is in control."
