

The White Witch Monologue:

That scoundrel Tumnus is as good as gone when I get my hands on him. Imagine, finding a daughter of Eve and not telling me....I must remember to make my surveillance and influences stronger. Then to meet the human who goes by the name of Edmund. He is a brat. I gave him a drink and some food and then he told me that he had two sisters and one other brother....

I immediately thought of Cair Pavel. I believe I must kill them to stop them from fulfilling the Prophecy of the two kings and the two Queens. I had to bribe him with Turkish delight and a warm drink to make him bring his brothers and sisters to me to keep the prophecy from being fulfilled. Apparently his sister is the daughter of Eve with whom Mr Tumnus has been spending time.

Just to make my day Edmund came to my castle with out his three sisters and brothers and then proceeded to demand food. I fed him bread and water and then chucked him in the dungeon and while he was eating he told me that Aslan was coming.

As I was driving to intercept Aslan I saw the icing on the cake. I saw Father Christmas!!! The pestering old bug had been trying to get in to Namia for ages; I wonder how he got in??? I started heading towards the river where I knew of a thick patch of ice that I could cross. As I got closer to the camp of Aslan, I saw a patch of green and there was a trickling sound coming from the stream. The ice was now almost melted right through so I had to go further up the river to find a bridge that I could cross.

I am furious that I when I was getting ready to destroy Edmund to keep the prophecy from being fulfilled, the one they call 'Aslan' sent a bunch of flying creeps to attack me. One of them took Edmund. I have a feeling that I will see him again in Aslan's camp. Note to self.... Must plan revenge!!!!

I'm sitting in my sleigh and I've just sent my little minion into the jaws of the enemy. I have told him to tell Aslan that I wish to speak with him. I expect they will ask me to leave my wand behind somewhere so I told my minion that if they ask this, I accept.
