Study Guide for Psychology David G. Myers, Richard O. Straub, 2009-04-03 Longtime Myers collaborator Richard Straub provides an updated study guide for the new edition **Exploring Psychology in Modules with DSM5 Updates** David G. Myers, 2014-02-12 This module-based version of Myers Exploring Psychology breaks down the book's 15 chapters into 43 short modules. Myers was inspired to create this text by the memory research in chunking showing that shorter reading assignments are more effectively absorbed than longer ones as well as by numerous students and instructors who expressed a strong preference for textbooks with more shorter chapters. Each self-standing module can be read in a single sitting and instructors can assign any combination of modules in any order they want. **DSM 5 Updates Available for Fall 2014 classes** this update version features new content from David Myers in response to the release of the DSM 5. This new content is integrated into the text without changing pagination or the structure of the chapters. Meyer, 2011-02-08 Providing more than one thousand practice questions and complete answer explanations, a thorough study guide helps nursing students prepare for the NCLEX RN exam and includes eight sample exams on the accompanying CD-ROM. Original **Spiritual Healing from Sexual Violence** Debra Meyers, Mary Sue Barnett, 2023-05-18 Spiritual Healing from Sexual Violence: An Intersectional Guide is a collection of essays from survivors, scholars, activists, spiritual leaders, and social justice practitioners that offers numerous intersectional and culturally competent options for women, men, and non-binary conforming adults to create their own safe healing conditions and establish pathways for recovery. These chapters provide a wide range of survival stories that raise awareness of the issues involved in healing after sexual assault and also provide inspiration for reforming negative societal issues and patterns. In a classroom setting, these chapters deliver both the culturally grounded knowledge and the skillsets necessary for recovery.
