**Enhancing Research for Academicians in Higher Education** Mdikana, Andile Alfred, 2024-11-29 Academicians and postgraduate students in higher education often face challenges navigating the complex research landscape from formulating a sound rationale and problem statement to developing a robust theoretical framework and publishing their work effectively. Many need help publishing their research and making informed decisions and the current lack of assistance hinders their academic progress and contribution to knowledge production. Emerging academicians often need more guidance in research supervision and postgraduate students may require support in writing quality research proposals and dissertations. *Enhancing Research for Academicians in Higher Education* offers a transformative solution to these challenges providing a comprehensive guide to rethinking and reimagining research in higher education. Centralizing the research discourse through the concept of Africanization offers a unique groundbreaking and timely perspective. The book empowers academicians and postgraduate students to develop their research profiles, explore various research approaches and paradigms, and understand research's philosophical and theoretical foundations. *Gaffney's Local Government in South Africa*, 2009

**Socio-Cultural Influences on Teenage Pregnancy and Contemporary Prevention Measures** Akella, Devi, 2018-09-07 Teenage pregnancy is a public health concern that is growing more prevalent in both developed and developing countries. Understanding the problems of teenage motherhood and suggesting relevant preventive strategies and interventions can help break the cycle of poverty, poor education, and risky behaviors that can lead to health and child welfare issues. *Socio-Cultural Influences on Teenage Pregnancy and Contemporary Prevention Measures* is an essential reference source that discusses the causes and factors responsible for early motherhood as well as the mental and psychological outlooks of teen mothers. Featuring research on topics such as minority populations, family dynamics, and sex education, this book is ideally designed for healthcare students, medical professionals, practitioners, nurses, and counselors seeking coverage on the issues, reasons, and outcomes of teenage pregnancy as well as preventive strategies to combat teenage motherhood. **Implicit Pedagogy for Optimized Learning in Contemporary Education** Vodopivec, Jurka Lepičnik, Jančec, Lucija, Štemberger, Tina, 2018-08-31 In addition to the content prescribed by the official curriculum of any given educational establishment, students learn other information and skills outside of the intended and taught information such as sharing, communication, and conflict resolution. These learned skills, otherwise unaccounted for in the education process, can be considered as a part of a hidden or unwritten curriculum. *Implicit Pedagogy for Optimized Learning in Contemporary Education* is a pivotal reference source that provides vital research on the application of assessment methods for the evaluation of indirect and direct educational methods. While highlighting topics such as language development, teacher agency, and learning process, this publication explores hidden curricula as well as the methods of learning outside of the prescribed school curriculum. It is ideally designed for educators, administrators, students, and researchers seeking current research on the effect of hidden

curricula on the education process      **Research Anthology on Instilling Social Justice in the Classroom** Management Association, Information Resources, 2020-11-27 The issue of social justice has been brought to the forefront of society within recent years and educational institutions have become an integral part of this critical conversation Classroom settings are expected to take part in the promotion of inclusive practices and the development of culturally proficient environments that provide equal and effective education for all students regardless of race gender socio economic status and disability as well as from all walks of life The scope of these practices finds itself rooted in curriculum teacher preparation teaching practices and pedagogy in all educational environments Diversity within school administrations teachers and students has led to the need for socially just practices to become the norm for the progression and advancement of education worldwide In a modern society that is fighting for the equal treatment of all individuals the classroom must be a topic of discussion as it stands as a root of the problem and can be a major step in the right direction moving forward Research Anthology on Instilling Social Justice in the Classroom is a comprehensive reference source that provides an overview of social justice and its role in education ranging from concepts and theories for inclusivity tools and technologies for teaching diverse students and the implications of having culturally competent and diverse classrooms The chapters dive deeper into the curriculum choices teaching theories and student experience as teachers strive to instill social justice learning methods within their classrooms These topics span a wide range of subjects from STEM to language arts and within all types of climates PK 12 higher education online or in person instruction and classrooms across the globe This book is ideal for in service and preservice teachers administrators social justice researchers practitioners stakeholders researchers academicians and students interested in how social justice is currently being implemented in all aspects of education      **Who's who of Southern Africa** ,2006 Vols for 1967 70 include as a section Who s who of Rhodesia Mauritius Central and East Africa      *Annual Report* South Africa.
