El-Hi Textbooks & Serials in Print, 2005, 2005 *Teaching Writing to Children in Indigenous Languages* Ari Sherris, Joy Kreeft Peyton, 2019-02-18 This volume brings together studies of instructional writing practices and the products of those practices from diverse Indigenous languages and cultures By analyzing a rich diversity of contexts Finland Ghana Hawaii Mexico Papua New Guinea and more through biliteracy complexity and genre theories this book explores and demonstrates critical components of writing pedagogy and development Because the volume focuses on Indigenous languages it questions center margin perspectives on schooling and national language ideologies which often limit the number of Indigenous languages taught the domains of study and the age groups included

Explorations in Southern African Drama, Theatre and Performance Patrick J. Ebewo, 2017-05-11 In spite of the rich repertoire of artistic traditions in Southern Africa particularly in the areas of drama theatre and performance there seems to be a lack of a corresponding robust academic engagement with these subjects While it can be said that some of the racial groups in the region have received substantial attention in terms of scholarly discussions of their drama and theatre performances the same cannot be said of the black African racial group As such this collection of thirteen chapters represents a compendium of critical and intellectual discourses on black African drama theatre and performance in Botswana Lesotho South Africa and Swaziland The topics covered in the book include amongst others ritual practices interventionist approaches to drama textual analyses and the funeral rites viewed as performance of the South African liberation icon Nelson Mandela The discussions are rooted mainly using African paradigms that are relevant to the context of African cultural production The contributions here add to the aggregate knowledge economy of Southern Africa promote research and publication and provide reading materials for university students specialising in the performing arts As such the book will appeal to academics theatre scholars cultural workers and arts administrators arts practitioners and entrepreneurs the tourism industry arts educators and development communication experts

For Younger Readers, 1964 **(Un)Learning to Teach Through Intercultural Professional Development** Candace Schlein, 2017-12-01 This book comprises an examination of novice teachers experiences in schools and cultures of schooling across the contexts of Hong Kong Japan and Canada Drawing on narrative inquiry and arts based approaches this study employs experience as a starting point for making sense of both professional and personal encounters in local and foreign settings This work thus sheds light on how people make sense of shifting landscapes in an era of increasing intercultural communication and interaction while addressing important curricular implications of intercultural professional development for equity and social justice

Latino/a Literature in the Classroom Frederick Luis Aldama, 2015-06-19 In one of the most rapidly growing areas of literary study this volume provides the first comprehensive guide to teaching Latino a literature in all variety of learning environments

Essays by internationally renowned scholars offer an array of approaches and methods to the teaching of the novel short story plays poetry autobiography testimonial comic book children and young adult literature film performance art and multi media digital texts among others The essays provide conceptual vocabularies and tools to help teachers design courses that pay attention to Issues of form across a range of storytelling media Issues of content such as theme and character Issues of historical periods linguistic communities and regions Issues of institutional classroom settings The volume innovatively adds to and complicates the broader humanities curriculum by offering new possibilities for pedagogical practice
