Michael W. Simpson,2019-10-23 After Mic Leigh is born his older brother Bobby guides him on endless adventures while seemingly finding joy in misleading him into his mischief As the brothers run wild through the end of the twentieth century Mic joins the Marines where they teach him how to kill and enjoy it and Bobby transforms into a rock and roll star whose groupies follow him from town to town and toss their underwear on stage As their journeys unfold Mic and Bobby hesitantly make their way through the military industrial complex of corporate America always torn between love and money But when they decide that it is everyone s right to die their own way Mic and Bobby invent a suicide machine they intend to use so others can elect to self terminate As their creative plan unfolds death and entertainment intertwine in a triumphant revelation of the American way In an entertaining tale that blends dark comedy with science fiction two brothers set out on an imaginative quest to kill people for profit and fun      **TV Guide** ,1987      **Korea North Country Study Guide Volume 1 Strategic Information and Developments** IBP, Inc.,2015-04-13 Korea North Country Study Guide Strategic Information and Developments      Daily Report ,1979-03      **AV Guide** ,1963      Encyclopedia of Korean Folk Literature The National Folk Museum of Korea (South Korea),2014-11-27 CONTENTS MYTHOLOGY LEGENDS FOLK TALES REFERENCES INDEX      Korea Newsreview ,1986      Love and Marriage in Globalizing China Wang Pan,2014-11-13 As China globalizes the number of marriages between Chinese people and foreigners is increasing These Chinese foreign marriages have profound implications for China s cultural identity This book based on extensive original research outlines the different types of Chinese foreign marriage and divorce and the changing scale and changing patterns of such marriages and divorces and examines how such marriages and divorces are portrayed in different kinds of media It shows how those types of Chinese foreign marriage where Chinese patriotism and Chinese values are preserved are depicted favourably whereas other kinds of Chinese foreign marriage especially those where Chinese women marry foreign nationals are disapproved of male foreign nationals being seen as having a propensity to infidelity deception violence and taking advantage of Chinese women The book contrasts the portrayal of Chinese foreign marriage with the reality and with the depiction of Chinese Chinese marriage where many of the same problems apply Overall the book sheds much light on changing social processes and on current imaginings of China s place in the world      Educational Screen & Audio-visual Guide ,1963      Encyclopedia of Social Work ,1965      **Worldmark Encyclopedia of Cultures and Daily Life** Timothy L. **The Straight State** Margot Canaday, 2009-07-06 How the government enforced sex and gender conformity and relegated gays to second class citizenship The Straight State is the most expansive study of the federal regulation of homosexuality yet written Unearthing startling new evidence from the National Archives Margot Canaday shows how the state systematically came to penalize homosexuality giving rise to a regime of second class citizenship that sexual minorities still live under today Canaday looks at three key arenas of government control immigration the military and welfare and demonstrates how federal enforcement of sexual norms emerged with the rise of the modern bureaucratic state She begins at the turn of the twentieth century when the state first stumbled upon evidence of sex and gender nonconformity revealing how homosexuality was policed indirectly through the exclusion of sexually degenerate immigrants and other regulatory measures aimed at combating poverty violence and vice Canaday argues that the state's gradual awareness of homosexuality intensified during the later New Deal and through the postwar period as policies were enacted that explicitly used homosexuality to define who could enter the country serve in the military and collect state benefits Midcentury repression was not a sudden response to newly visible gay subcultures Canaday demonstrates but the culmination of a much longer and slower process of state building during which the state came to know and to care about homosexuality across many decades Social political and legal history at their most compelling The Straight State explores how regulation transformed the regulated in drawing boundaries around national citizenship the state helped to define the very meaning of homosexuality in America

*The End of the Developmental State?* Michelle Williams, 2014-01-10 The End of the Developmental State brings together leading scholars of development to assess the current status of the developmental state in several developing and transitional economies of South Korea Taiwan Ireland the United Kingdom China South Africa Brazil and India Has the concept of the developmental state become outmoded These authors would suggest not However they do argue that the historical trajectories of developmental states in Asia Latin America Africa and Europe suggest all too clearly that the concept must be re-examined critically and creatively The range and diversity of their positions and their rejection of stale programmatic positions from the past will revitalize the debate on the role of the state in social and economic transformation in the twenty first century By bringing together careful comparative analyses of national cases in both the Global North and South the volume highlights pivotal conditions economic restructuring domestic politics epistemic shifts and ecological limits that are forcing revision of the goals and strategies of developmental states and suggests that states that ignore these new conditions will indeed see the end of the developmental state
