International Perspectives on Creative Writing in Second Language Education Bee Chamcharatsri, Atsushi Iida, 2022-02-10 This volume explores the instructional use of creative writing in secondary and post secondary contexts to enhance students language proficiency and expression in English as a second or foreign language ESL EFL Offering a diverse range of perspectives from scholars and practitioners involved in English language teaching ELT globally International Perspectives on Creative Writing in Second Language Education tackles foundational questions around why fiction and creative writing have been traditionally omitted from ESL and EFL curricula By drawing on empirical research and first hand experience contributors showcase a range of creative genres including autobiography scriptwriting poetry and e Portfolios and provide new insight into the benefits of second language creative writing for learners language proficiency emotional expression and identity development The volume makes a unique contribution to the field of second language writing by highlighting the breadth of second language users throughout the world and foregrounding links between identity learning and ESL EFL writing This insightful volume will be of particular interest to postgraduate students researchers and academics in the fields of ESL EFL learning composition studies and second language acquisition SLA Those with a focus on the use of creative writing in classrooms more broadly will also find the book of interest

Writing Every Day Kellie Buis, Kat Mototsune, 2004 Many of today s schools struggle with large class sizes a continually evolving curriculum and a wide diversity in the ability and background of their students How best to build an effective literacy community in this constantly changing environment is an increasingly difficult challenge for teachers new and experienced alike In *Writing Every Day* Kellie Buis demonstrates that sharing stories is a fun and engaging way to motivate children and encourage cooperative learning in K 8 classrooms It proposes students writing letters every day as an efficient effective engaging and fun teaching strategy for organizing language instruction Children s personal stories become the catalyst for language experiences that involve reading writing and all forms of communication Teachers will find novel ways to bridge the gap between the important principles of sharing stories and practical ideas on how these understandings can be translated into classroom practice empower students to deepen and enrich their language skills by sharing their ideas feelings and experiences show students how to begin to make sense of themselves each other and the world create a strong partnership between school and home give children the ability to express themselves and to be heard by others in their community Student samples throughout the book illustrate the power of using their own life experiences to engage children

in authentic reading and writing Writing daily letters gives children a stronger voice and engenders feelings of self worth self respect and competence This strategy reaps benefits beyond the language arts curriculum and helps students make connections and recognize patterns in everything that they read write and learn
