**Growing God's Family** Samuel L. Perry, 2017-06-13 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level Growing God's Family ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group

*He Knows Your Name* Linda Znachko,2016-09-27 When the evening news reported a dead baby abandoned in a local

dumpster Linda Znachko's comfortable life changed. She was suddenly convicted. God was asking her to provide a dignified burial for this tiny lost child. Linda said yes. She had no idea where that first small yes would lead. Linda found herself in places she never dreamed she would be at the graveside of the child of an abused mother by the side of a mother fighting for her lost child and at the funeral of a Texas stripper who died two days before her baptism but left a legacy of love behind. When Linda stepped out of her comfort zone and into these implausible places with people she was unlikely to otherwise encounter, she discovered the life she never knew she wanted: a life of saying yes to God whenever He asks. Today Linda has a ministry that gives children a name in life and dignity and honor in death. When she shares her stories of broken lives redeemed, other broken people respond, and so the ripple effects of that long ago yes continue to spread, touching lives that yearn for healing and underscoring the fact that every life matters to God. **Let's Be Friends** Elizabeth
