Two Murders in My Double Life Josef Skvorecký, 2002-05 In Josef Skvorecký's first novel written in English the narrator lives in two radically dissimilar
 worlds the exile world of the post Communist Czech Republic where old feuds treacherous betrayals and friendships
 persevere and the comfortable albeit bland world of middle class Canada Murder intrudes upon both world One features a

young female sleuth a college beauty queen jealousy in the world of academia and a neat conclusion The other is a tragedy caused by evil social forces and philosophies in which a web of lies insidiously entangles Sidonia the narrator's wife A brilliantly stylish tour de force in which the bright sarcastic comedy of one tale sharply contrasts with the dark elegiac bitterness of the other Two Murders in My Double Life confirms Kvoorek's reputation as a versatile and engaging writer
