representations A more vivid picture Saeed Mehrpour Movie generated EFL writing Discovering the act of writing through visual literacy practices Nargess Hekmati Sue san Ghahremani Ghajar Parental perceptions toward and practices of heritage language maintenance Focusing on the United States and Canada Feng Liang pp 65 86 You could so easily od like Clause final and other pragmatic functions of like in Liverpool English speech Manel Herat pp 87 112 A comprehensive survey on the etymology of three Avestan words Pairik Xn aiti and Ga dar a Farrokh Hajiani A semiotics representation of outdoor HIV AIDS pictorial campaign messages in Benin Metropolis Nigeria Patience Obiageri Solomon Etefia pp 131 158 Assessing Academic Literacy in a Multilingual Society Albert Weideman, John Read, Theo du Plessis, 2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience *Science-based conservation of tigers: Assessing the past to prepare for the future* Carlos Ruiz-Miranda, Fernanda Michalski, Vanessa Hull, Miha Krofel, Luke Hunter, Zuofu Xiang, 2024-06-13 In this Research Topic we plan to assess the interface of conservation and science looking at the various aspects of tiger conservation by assessing what advances have been made in each relevant field where are the limitations and what does the data show us about successes and failures in conserving tigers their prey and their habitat Through a series of multiple authored papers we plan to explore the realms of tiger and prey monitoring law enforcement habitat restoration efforts human tiger conflicts landscape connectivity and ultimately how tiger conservation strategies have evolved and emerged leading up to the present Coming at this critical time with 2022 being the Year of the Tiger and the end of a 12 year pledge by Tiger Range Countries to double tiger numbers this Research Topic will provide a landmark publication reflecting back on the past 12 and more years of tiger conservation and research and laying the foundation for the coming twelve years While the focus is on tigers the studies will have wide application to efforts to conserve other large bodied carnivores In 2010 the lunar year of the tiger a Tiger Summit was held in the Russian city of St Petersburg where 13 Tiger Range Countries pledged to double tiger numbers by the next lunar year of the tiger in 2022 The science of tiger conservation has developed in multiple ways over the past twelve years As we approach this benchmark when tiger range countries will be reporting on their past efforts and planning for the next twelve years it is important to assess what has been accomplished and what yet needs to be done where there have been successes and what has not worked This is why it is

particularly important to employ a science based approach to conservation something that is not universally adopted by tiger conservation advocates but which we as editors of this collection consider central to successful tiger conservation This Research Topic will lay the foundation for effective science based conservation of tigers for the next twelve years In 2021 a collection of representatives from the international tiger conservation community developed a joint NGO vision of priorities in tiger conservation for the coming twelve years In this Research Topic we plan to focus on the critical issues for global tiger conservation as identified by this international group This topic will discuss these issues and highlight how they have been addressed in diverse tiger landscapes including both successes and failures Our goal is to provide a foundation and structure for site based tiger conservation actions within and beyond the next 12 year lunar cycle This Research Topic was conceptualized and launched by Dale Miquelle Thomas Gray Luke Hunter Abishek Harihar John Goodrich and Matthew Linkie in collaboration with Frontiers to focus on The Convergence of Site based tiger conservation strategies Opportunities for restoration of tigers across their historical range Recovery of tigers in Thailand s tiger conservation landscapes what works An integrated law enforcement approach for protecting tigers and their prey in Sumatra Cost of ranger protection for tiger protected area Evaluating a site based enforcement strategy Malaysia Beyond density better indicators for tiger monitoring Prey Recovery is the foundation of tiger restoration Resolving human tiger conflicts Community based tiger conservation Can it work Ensuring connectivity of tiger conservation landscapes Emerging infectious disease threats Tiger conservation and global regional initiatives

Foundations of Information Literacy Natalie Greene Taylor,Paul T. Jaeger,2021-11-15 Searching for Information Literacy Defining Information Literacy Information Literacy in the Context of Information Behavior and Everyday Life The Operationalization of Information Literacy Part I Academic and School Libraries The Operationalization of Information Literacy Part II Public Libraries Special Libraries and Archives Information Literacy Is a Human Right as Essential as Can Be Controlling Information Literacy Literacy Politics and Literacy Policies Why Libraries Intermission Verities and Balderdash The Field Guide to Incorrect Information A Brief History of Advertising Propaganda and Other Delights Pandemic Style Disinformation Misinformation and Illiteracy Toward Lifelong Information Literacy Advocacy Activism and Self Reflection for Information Literacy Professionals The Social Infrastructure for Information Literacy The Lifelong Information Literacy Society

Handbook of Literacy in Families and Communities Patricia A. Edwards,Catherine Compton-Lilly,Guofang Li,2025-06-09 This cutting edge Handbook explores the interactive and intergenerational nature of literacy across diverse environments supporting disadvantaged families through tailored programs It provides an extensive exploration of family literacy addressing early childhood literacy development parenting education and intervention services

Cities of Dragons and Elephants Guanghua Wan,Ming Lu,2019-10-29 Urbanization is one of the most important phenomena in economic development In the past three decades Asian urban populations expanded by almost one billion a figure expected to double in the next three decades Clearly both the scale and

pace of urbanization in Asia is unprecedented in human history and will dominate the global urbanization landscape Asia's urbanization in turn is dominated by what is happening in China and India the two most populous fastest growing economies in the world Cities of Dragons and Elephants Urbanization and Urban Development in China and India aims at addressing the two most fundamental issues of urbanization why and where to urbanize Contributed by a team of top experts from both countries it uses original research to explore both the speed and scale of urbanization and urban systems or spatial distribution of urbanities in different sized cities It examines various drivers of urbanization alongside the benefits and costs and the role of markets governments and NGOs Cities of Dragons and Elephants presents evidence based policy suggestions regarding the labor market the land and housing market FDI and the capital market education environment poverty and inequality It uses the similarities between India and China to draw conclusions and implications of enormous relevance to many governments and institutions in Asia and beyond

Spinglish Henry Beard, Christopher Cerf, 2015-06-02 Spinglish the devious dialect of English used by professional spin doctors is all around us And the fact is until you've mastered it politicians and corporations not to mention your colleagues and friends will continue putting things over on you and generally getting the better of you every minute of every day without your even knowing it However once you perfect the art of terminological inexactitude you'll be the one manipulating and one upping everyone else And here's the beauty part Henry Beard and Christopher Cerf authors of the New York Times semi bestseller The Official Politically Correct Dictionary and Handbook have compiled this handy yet astonishingly comprehensive lexicon and translation guide a fictionary if you will to help you do just that If you want to succeed in business or politics sports the arts or life in general without really lying this is the book for you Your results may vary Spinglish includes these nifty bits of spurious verbiage and over a thousand more aesthetic procedure face lift dairy nutrients cow manure enhanced interrogation techniques torture For your convenience For our convenience hands on mentoring sexual relations with a junior employee incomplete success failure rightsizing firing people zero tasking doing nothing With each and every entry sourced from some of the greatest real life language benders in the world today you're virtually guaranteed to have the perfectly chosen tried and untrue term right at the tip of your forked tongue Wish you could nimbly sidestep a question without batting an eye Not sure how to apologize while also not apologizing Spinglish has you covered Simply consult this convenient shoot from the lip glossary and before you know it you'll be telling it like it isn't it wasn't and it couldn't ever have been

Overcoming Challenges in Corpus Construction

Robbie Love, 2020-01-06 This volume offers a critical examination of the construction of the Spoken British National Corpus 2014 Spoken BNC2014 and points the way forward toward a more informed understanding of corpus linguistic methodology more broadly The book begins by situating the creation of this second corpus a compilation of new publicly accessible Spoken British English from the 2010s within the context of the first created in 1994 talking through the need to balance backward capability and optimal practice for today's users Chapters subsequently use the Spoken BNC2014 as a focal point around

which to discuss the various considerations taken into account in corpus construction including design data collection transcription and annotation The volume concludes by reflecting on the successes and limitations of the project as well as the broader utility of the corpus in linguistic research both in current examples and future possibilities This exciting new contribution to the literature on linguistic methodology is a valuable resource for students and researchers in corpus linguistics applied linguistics and English language teaching

The British Police and Home Food Production in the Great War Mary Fraser,2024-06-25 This book explores the role of the British Police in home food production during the First World War a critical time when decreasing food imports threatened population starvation around the country Drawing from the police s most popular weekly journal the book provides insights into policemen s lives the political context in which they worked and the pressures on police forces throughout Britain during the Great War Unlike neighbouring countries in Europe Britain avoided major food riots due to government control of farming from December 1916 which prioritised agriculture to feed the nation The police force released over 400 policemen in England and Scotland to serve as ploughmen from March 1917 for around two months Almost a third of policemen throughout Britain had previous agricultural backgrounds and so were welcomed by farmers as experienced workers This book illustrates not only why the food crisis arose and the state of British farming during the war but it also sheds light on how individual police forces were approached and encouraged to release their policemen at a time when police forces themselves were critically short of staff due to recruitment into the war The author discusses how the release of policemen into agriculture as first responders benefitted the police and provided surveillance over home food production in the national interest

Recent Trends in Intelligent Computing, Communication and Devices Vipul Jain,Srikanta Patnaik,Florin Popențiu Vlădicescu,Ishwar K. Sethi,2019-10-02 This book gathers a collection of high quality peer reviewed

research papers presented at the International Conference on Intelligent Computing Communication and Devices ICCD 2018 which address three core dimensions of the intelligent sciences intelligent computing intelligent communication and intelligent devices Intelligent computing includes areas such as intelligent and distributed computing intelligent grid and cloud computing Internet of Things soft computing and engineering applications data mining and knowledge discovery semantic and web technology hybrid systems agent computing bioinformatics and recommendation systems In turn intelligent communication is concerned with communication and network technologies such as mobile broadband and all optical networks which are the key to groundbreaking advances in intelligent communication technologies It includes communication hardware software and networked intelligence mobile technologies machine to machine communication networks speech and natural language processing routing techniques and network analytics wireless ad hoc and sensor networks communications and information security signal image and video processing network management and traffic engineering Lastly intelligent devices refer to any equipment instruments or machines that have their own computing capability and covers areas such as embedded systems radiofrequency identification RFID radiofrequency microelectromechanical systems RF MEMS very large scale integration VLSI design and electronic devices analog and mixed signal integrated circuit IC design and testing microelectromechanical systems MEMS and microsystems solar cells and photonics nanodevices single electron and spintronic devices space electronics and intelligent robotics

Handbook of College Reading and Study Strategy Research Rona F. Flippo, Thomas W. Bean, 2018-06-12 The most comprehensive and up to date source available for college reading and study strategy practitioners and administrators the Third Edition of the Handbook of College Reading and Study Strategy Research reflects and responds to changing demographics as well as politics and policy concerns in the field since the publication of the previous edition In this thorough and systematic examination of theory research and practice the Handbook offers information to help college reading teachers to make better instructional decisions justification for programmatic implementations for administrators and a complete compendium of both theory and practice to better prepare graduate students to understand the parameters and issues of this field The Handbook is an essential resource for professionals researchers and students as they continue to study research learn and share more about college reading and study strategies Addressing current and emerging theories of knowledge subjects and trends impacting the field the Third Edition features new topics such as disciplinary literacy social media and gaming theory

Broadband In Brazil Peter Knight, Flavio Feferman, Nathalia Foditsch, The Internet has been a reality in Brazil for more than 20 years Its growth has been encouraged by the government by large telecom companies and by small and medium Internet service providers as well as by rapidly increasing demand The achievements to date are clear but almost half the population is still not participating in the digital world Furthermore the cost of broadband is still high and its quality should be improved so that it will be possible to take advantage of all the benefits it can bring whether related to health education or

even the exercise of political rights It is necessary therefore that the Brazilian Internet be fast reliable and accessible This book brings together 23 specialists in various areas related to broadband specialists who wanted to discuss Brazil's public policies and regulations as well as the progress and challenges related to expanding access to broadband Internet service The 16 chapters also address the evolution of the country's broadband infrastructure including experiences of entrepreneurship and public private partnerships This debate is fundamental for Brazil's technological economic and social progress

Ancient Monuments in the Countryside Timothy Darvill, 2014-02-15 Much of England's rich archaeological heritage lies in the countryside Many monuments such as barrows hillforts and Roman villas are familiar features of the landscape while other sites lie buried or only partly visible These remains are the result of the impact on the landscape of the countless generations of people who have lived worked and died within it The cumulative effect is the landscape we know today in which the historical dimension is an integral component of the valued whole and an important part of what most people in England are increasingly concerned to see protected and conserved The archaeological heritage however is a finite and fragile resource and much of it has been lost in the last two decades as a result of increasing pressures on farming industry and commerce to maximise the return on investment in the land The conservation of what remains therefore needs to be given urgent consideration This report has three main goals First it aims to present the background to the recognition investigation and management of the archaeological resource Second it attempts to review what is known of the resource the threats currently posed to it and the ways in which it can be exploited and conserved Finally it looks towards the development and promotion of a secure future for ancient monuments in the countryside

The Oxford History of Protestant Dissenting Traditions, Volume I John Coffey, 2020-05-29 The Oxford History of Protestant Dissenting Traditions Volume I traces the emergence of Anglophone Protestant Dissent in the post Reformation era between the Act of Uniformity 1559 and the Act of Toleration 1689 It reassesses the relationship between establishment and Dissent emphasising that Presbyterians and Congregationalists were serious contenders in the struggle for religious hegemony Under Elizabeth I and the early Stuarts separatists were few in number and Dissent was largely contained within the Church of England as nonconformists sought to reform the national Church from within During the English Revolution 1640-60 Puritan reformers seized control of the state but splintered into rival factions with competing programmes of ecclesiastical reform Only after the Restoration following the ejection of two thousand Puritan clergy from the Church did most Puritans become Dissenters often with great reluctance Dissent was not the inevitable terminus of Puritanism but the contingent and unintended consequence of the Puritan drive for further reformation The story of Dissent is thus bound up with the contest for the established Church not simply a heroic tale of persecuted minorities contending for religious toleration Nevertheless in the half century after 1640 religious pluralism became a fact of English life as denominations formed and toleration was widely advocated The volume explores how Presbyterians Congregationalists Baptists and Quakers began to forge distinct identities

as the four major denominational traditions of English Dissent It tracks the proliferation of Anglophone Protestant Dissent beyond England in Wales Scotland Ireland the Dutch Republic New England Pennsylvania and the Caribbean And it presents the latest research on the culture of Dissenting congregations including their relations with the parish their worship preaching gender relations and lay experience

The Captivating Realm of E-book Books: A Detailed Guide Unveiling the Pros of Kindle Books: A World of Ease and Versatility

Kindle books, with their inherent mobility and simplicity of access, have freed readers from the limitations of hardcopy books. Gone are the days of carrying cumbersome novels or meticulously searching for specific titles in shops.
