Slaves of the Mastery William Nicholson,2002 The people of Aramanth have been enslaved by the army of the Mastery If they disobey their masters a member of their community is burned in an iron cage before their eyes *Wind on Fire Trilogy Book Two, The Slaves of Mastery* William Nicholson,2003-10-01 The people of Aramanth are finally free of the Morah the evil power that controlled them for generations But a ruthless attack by soldiers from a distant land destroys the city and its people are driven off as slaves During the invasion Kestrel and Bowman are separated for the first time in their lives Bowman becomes a slave of the Mastery Kestrel escapes then sets off to avenge the enslavement of her family As the twins embark on their parallel adventures their mother s prophetic dreams reveal their true identity and their dangerous fate Bowman s mind power and Kestrel s fierce spirit are soon joined once again to fight for the freedom of their people *Slaves of the Mastery* William Nicholson,2003 Fifteen year old Bowman uses his newly discovered powers to join with his twin sister Kestrel in an attempt to liberate their people from the beautiful but cruel civilization which has enslaved them *Enslaved* Ray Gordon,2001

The Lost Mulattos Dickinson,2019-06-05 How can loving kind and compassionate plantation owners justify and promote slavery How can slaves in turn become slave owners What happened after the Civil War to the Charleston mulatto culture of the 1700s and 1800s The Lost Mulattos Book 2 of The Hanscome Trilogy is the true documented genealogical history of the

author's family the Hanscomes and a tale that contradicts and challenges our traditional historical beliefs. The Hanscomes weave their massive web of rationalizations around the peculiar institution of slavery, presenting themselves as good slave owners who love and care for their slaves like family. They support the Charleston elite mulatto slave-owning freedmen, artisans, and shopkeepers who buffer the growing tinderbox of slavery. And why shouldn't they? The mulattos are their sons and daughters too.

PRAISE FOR THE LOST MULATTOS Not only did I read this second book in The Hanscome Trilogy, I felt each and every moment deep in my heart and soul. Joan Dickinson has done an outstanding service to this period in history. She brilliantly helps us understand how slavery was woven into the lifestyle of early colonial America, how even though most people thought and knew it was horribly wrong, they chose their socially acceptable way of living and their accumulation of wealth and land over their hearts and humanity. At the same time, those same hearts found, explored, and courageously lived love regardless of the colors of their skin, and despite the labels those colors were given.

D. D. Scott International Bestselling Author

ABOUT THE AUTHOR Joan Dickinson has worn many hats: history teacher, psychologist, professor, behavioral health director, and international consultant, wellness columnist, public speaker, yoga and meditation instructor. She hails from Minnesota and kayaks with the dolphins near Anna Maria Island, Florida.

Slaves of the Mastery William Nicholson, 2005

When the ruthless soldiers of the Mastery strike, the Manth people are taken into slavery. Kestral is separated from her brother Bowman and must find him again, while Bowman must learn the secrets of the Singer people. Only then will they break the power of the Mastery.

The Case of the Enslaved Souls James Beksha, 2021-11-09

Abducted and Enslaved for the Talistaun W. L. Dowd, 2011-11

Dark Genesis (The Darkling Trilogy, Book 1) A. D. Koboah, 2012

Life for a female slave is one of hardship and unspeakable sorrow, something Luna knows only too well. But not even she could have foreseen the terror that would befall her one sultry Mississippi evening in the summer of 1807. On her way back from a visit to see the African woman, a witch who has the herbs Luna needs to rid her of her abusive master's child, she attracts the attention of a deadly being that lusts for blood. Forcibly removed from everything she knows by this tormented, otherworldly creature, she is sure she will be dead by sunrise.

Dark Genesis is a love story set against the savage world of slavery, in which a young woman who has been dehumanized by its horrors finds the courage to love and, in doing so, reclaims her humanity.
