Ella and Micha Jessica Sorensen, 2014-11-13 A secret series novella Page 4 of cover *Confessions of Luna & Grey*
Jessica Sorensen , Everyone thinks I m a good girl who follows the rules But I ve got secrets lots of them And if anyone ever found out about them I d be in deep trouble It s a good thing I m fantastic at keeping secrets Or well I was until Grey Sawyer discovers one of my darkest secrets Grey is one of the most popular guys in school and he s spent the last three years bullying me So I expect him to tell everyone what he found out about me But strangely he doesn t And even stranger he acts as if he likes me I m not sure if I m buying into his nice guy act or not But honestly I feel like I don t have a choice We re just friends though That s it At least that s why I try to tell myself Deep down I know I m falling for him Badly I just hope I don t get my heart crushed A full length standalone novel **The Rules of Being Friends** Jessica Sorensen , My new life in Honeyton is becoming complicated It all starts when I hear my uncle talking about some sketchy stuff that may have to do with me I also think there might be more to Hunter and his friends than they re letting on like maybe we ve met before Not that everything is terrible Hunter and his friends are nice to me and they ve brought me into their group For the first time I think I might finally have some friends But a lot of mystery still surrounds me And I m still being blackmailed by someone I need to figure out the truth about my past and fast Isa & the Guy Next Door Jessica Sorensen , I ve always been the girl that never fit in This is kind of a problem since I ve had a huge crush on Kyler my next door neighbor who s one of the most popular guys in school But I m pretty sure he s never going to see me as anything else except the weird girl who lives next door And that s okay I ve learned to accept that I have bigger problems to worry about anyway like the fact that my family has been keeping a secret from me for years It s something that s always bothered me so when I take a summer trip overseas with my grandma and cousin I decide to poke around and see if I can solve the mystery But solving an old family secret is proving to be more complicated than I thought Enter Kai Kyler s younger brother Kai used to be my sworn enemy but now he s offering to help me figure out the mystery surrounding my family I m not sure why he wants to help me but I guess there s no harm in it What we end up discovering though is way darker than I ever could ve imagined Ruin Me Jessica Sorensen, 2015-04-20 A part time student CNA and caretaker for her slightly deranged mother Clara McKinney doesn t have time for a relationship That s why her friends with benefits arrangement with sexy and ridiculously charming Jax Hensley works perfectly But Jax has other ideas The moment Jax met Clara he was instantly drawn to her wittiness confidence and gorgeous smile Even though he agreed to the friends with benefits arrangement he secretly hopes for more than their weekend hook ups When Jax s estranged mother mysteriously disappears he sees an opportunity to spend more time with Clara After convincing her to return home with him a new agreement is made One road trip and week together to find out why his mom vanished into thin air Things are about to get complicated Forget Me Not Jessica Sorensen, Being the new girl is always hard especially when you re socially awkward But when I move to Honeyton at the beginning of my senior year

I try to look at it as a chance to start over And it kind of looks like I might succeed Not only do I make a new friend but I also meet Hunter Hunter is from a wealthy and rumor has it dangerous family He s known as the town bad boy and everyone in school seems to be afraid of him But he doesn t seem that scary to me and I end up becoming friends with him But not everything in this new town is what it seems Ever since I moved here I ve started having dreams that I ve been to this town before And everyone seems to have secrets Including Hunter Includes books 1 3 in the A Pact Between the Forgotten Series The Art of Being Friends The Rules of Being Friends and The Art of Kissing Wreck Me Jessica Sorensen,2015-04-15 I d heard stories of near death experiences although the tales never seemed to be the same Me I saw many things My son Myself My sins The stars And I also felt The feeling wasn t about me but about another as if someone was calling out to me begging me to come back That they needed my help Then the stars burned out And I thought I had died But I was wrong When Avery Hensley met Conner Wellings she thought she d found the guy she was going to spend the rest of her life with She got married young and had the most beautiful son in the world Life seemed perfect But not everything is what it seems Turned out Conner had another side to him a darker side that Avery didn t see coming He wrecked and broke her into a thousand pieces leaving Avery to put herself back together From then on Avery vows never to let a man into her life again But then she meets Tristan Morganson He s sweet and sexy and wrecks Avery in a different way than Conner did the kind of way that makes her feel alive again the kind of way that makes her think maybe not all guys are bad But can Avery trust him enough to let her walls come crumbling down The Opposite of Ordinary Jessica Sorensen , In one day I went from being Ashlynn Wynterland one of the most popular girls in school to being the girl who spends lunchtime hiding out in a classroom and watching Maxon Harter and his science obsessed friends mess around with experiments All because Queeny Harlington thinks I made out with her crush Queeny Harlington is the queen of Fareland High And up until a day ago she was my best friend Now she s my worst enemy who s threatening to tell the entire school all of my dirty little secrets Being a friendless social outcast has its downsides So when Maxon invites me to hang out with him and his friends I accept his offer even though they all seem to despise me Which is fine Sort of The truth is I ve always thought Maxon is cute in a weirdly unordinary way And the more I get to know Maxon the more I find myself liking him But when Queeny decides to tell everyone my darkest secret of all my new friendship doesn t look as if it s going to survive As my heart breaks I make a choice that ends up shattering my world In that dark moment I discover that Fareland is a town with secrets and that nothing is what it appears to be A dark secret society romance that follows Ashlynn and Maxon from high school to adulthood
