The book also offers compelling real life anecdotes that demonstrate the impact of these strategies in inclusive and self-contained classrooms, presents an introduction to the skills of storytelling, why they are useful and how to use them and includes suggested modifications for a wide range of disabilities as well as detailed resource lists. Creating Readers

Pamela Byrne Schiller, 2001. Learn the basic building blocks of reading with Creating Readers, the comprehensive resource that develops a strong foundation for pre-readers. Creating Readers gives teachers and parents the tools to teach pre-reading skills with over 1000 activities, games, fingerplays, songs, tongue twisters, poems and stories for the letters of the alphabet. This invaluable resource develops the child's desire to read as well as the skills needed to begin reading. Creating Readers starts children ages 3 to 8 towards a future of books and reading. Dr. Pam Schiller shares her extensive knowledge in workshops, radio and television interviews and as a popular keynote speaker and author. Her best-selling titles include The Complete Resource Book, The Values Book, Count on Math and Start Smart. **50 Fantastic Ideas for Nursery Gardens**, June

O'Sullivan, Clodagh Halse, 2018-07-12. _____ The 50 Fantastic Ideas series is packed full of fun, original, skills-based activities for Early Years practitioners to use with children aged 0-5. Each activity features step-by-step guidance, a list of resources and a detailed explanation of the skills children will learn. Creative, simple and highly effective, this series is a must-have for every Early Years setting. The outdoor environment is a rich, dynamic and natural space for promoting learning and development in children of all ages. Its value as an essential learning resource has been recognised by many government policies, including the Early Years Foundation Stage (EYFS), particularly within the principle of Enabling Environments. In a survey of schools who had improved their grounds, 65% reported an improved attitude to learning, 73% an improvement in behaviour and 64% a reduction in bullying. 50 Fantastic Ideas for Nursery Gardens is packed full of exciting activities such as making a bird feeder and a garden treasure hunt that have been tried and tested in the LEYF London Early Years Foundation nursery gardens with the children and nursery staff. These are designed to enrich children's skills and knowledge by broadening their horizons and opening up wider opportunities, extend language and contribute to deeper conversations about the great outdoors. **Spotty Zebra**, Nicki O'Brien, Viki Bennett, 2004. This Resource Pack has been designed to support

Spotty Zebra's usage as a cross-curricular resource. Each pack contains material to support reading, writing, speaking, listening and activities in literacy time and beyond. **Teaching Across the Early Years 3-7**, Hilary Cooper, Chris Sixsmith, 2004-11-23. This practical and accessible book explores ways of developing continuity and coherence in children's learning from three to seven years old. It is based around three case studies in which tutors on Initial Teacher Training courses worked with early years practitioners in three different pre-school settings, each linked to a primary school. The book describes how they successfully managed to plan and teach integrated themes across the age range in the context of the

requirements of the Foundation Stage and the National Curriculum Each case study has a different focus science design and technology the arts including an ICT strand the humanities including a physical education strand English and mathematics dimensions run through each theme The book is alive with discussion of children s art language drama and music captured as field notes writing drawing and as video tape Each chapter concludes with suggestions of ways in which readers can develop the ideas in their own contexts This book will be invaluable reading for students on Early Years courses Early Years practitioners and tutors and mentors in early childhood education
