Oates,Larbi Oukada,1993-11 *Entre Amis* Michael Oates,Larbi Oukada,2004-12 A proven introductory level French program Entre amis takes a progressive approach in covering all four language skills With a strong emphasis on oral communication the text focuses on the importance of interaction both in the classroom and in the Francophone world The text also develops student awareness of Francophone culture The Fifth Edition encourages students to interact with the languages and culture of France and the Francophone world through readings from many different French speaking nations To place learning in context this edition uses shorter cultural sections called *Résumé culturel* which are written in English through Chapter Five and in easy to understand French throughout the rest of the text New *Résumé culturel* short manageable cultural sections offer a systematic tour of the Francophone world and encourage intelligent discussion of many contemporary social issues including the Islamic scarf in French school the EU immigration religious diversity and the political climate in Haiti Each chapter contains two to three *Résumé culturel* New Information Gap Activities previously found in the Instructor's Manual are now included in each chapter of the student text as capstone activities New A new design makes the text more visually appealing and even easier to navigate Updated Almost half of the readings have been replaced or updated to include more relevant and current literary selections Enhanced coverage of learning strategies and National Standards through instructor's annotations help align specific activities with

one or more goals of the five C's: Communication, Cultures, Connections, Comparisons, and Communities. New! The Integration section now includes a Directed Reading activity. This activity is the first step of the writing process that culminates with the Reading in the corresponding chapter of the Workbook. In response to user feedback, the grammar sequence now includes earlier introduction of the verb *aller*, clearer explanations of the comparative and the superlative, and a streamlined presentation of the subjunctive. Four self-test activities have been added to each chapter: two on the textbook's website and two in the *Cahier d'activités* to allow students to check their acquisition of vocabulary, grammar, and listening comprehension on their own. The Workbook Lab Manual and *Entre amis* CD-ROM have been revised for better integration with the textbook. All video support has been removed from the text and consolidated in the Video Manual section of *Cahier d'activités*.
