

In an era dominated by the saints rises a Kingdom where sins are committed regularly. A Kingdom ruled by a noble King but misled by his cruel Masters. Hamish, the cruellest Master with a dream of conquering the world, faces a challenge from an ordinary boy, who in search of his answers finds the reason for his existence. Fire God, the most powerful and loyal Master of the King, is stuck in a dilemma of whether to support the good or the bad.

A story of brutal vengeance where there is no space for the good. Will the good rise to power?
