### **Spies, Lies, and Allies: A Love Story**

Lisa Brown Roberts,2018-05-01 Summers are supposed to be fun right Not mine I've got a job at my dad's company which is sponsoring a college scholarship competition I just found out that in addition to my job assisting the competing interns I'm supposed to vote for the winner Totally not what I signed up for My boss is running the competition like it's an episode of Survivor Then there's Carlos who is well very distracting in a good way But I can't even think about him like that because fraternizing on the job means instant disqualification for the intern involved As if that's not enough an anonymous informant with insider intel is trying to sabotage my dad's company on social media and I'm afraid it's working Much as I'd love to quit I can't Kristoff's Never Quit is our family motto I just hope there's more than one survivor by the end of this summer

### **Jesus as the Son of 1-2 Samuel's David**

Marc Grønbech-Dam,2024-05-21 Although the Gospel of Matthew

emphasizes Jesus as the son of David no one has systematically investigated how 1 2 Samuel influence Matthew s portrayal of Jesus as the son of David This work addresses that lacuna and shows how the sustained use of 1 2 Samuel in Matthew evokes the themes of mercy and righteousness as the hallmarks of a proper Davidic shepherd The book s systematic intertextual and narrative approach offers another way to understand Matthew s Christology and portrayal of the kingdom of heaven It helps the reader appreciate the justice focused nature of Jesus rule and its religious and political implications **Linguistics and**

Association for Recorded Sound Collections Certificate of Merit for the Best Historical Research in Recorded Roots or World Music 2019 A R Pioneers offers the first comprehensive account of the diverse group of men and women who pioneered artists and repertoire A R work in the early US recording industry In the process they helped create much of what we now think of as American roots music Resourceful innovative and at times shockingly unscrupulous they scouted and signed many of the singers and musicians who came to define American roots music between the two world wars They also shaped the repertoires and musical styles of their discoveries supervised recording sessions and then devised marketing campaigns to sell the resulting records By World War II they had helped redefine the canons of American popular music and established the basic structure and practices of the modern recording industry Moreover though their musical interests talents and sensibilities varied enormously these A R pioneers created the template for the job that would subsequently become known as record producer Without Ralph Peer Art Satherley Frank Walker Polk C Brockman Eli Oberstein Don Law Lester Melrose J Mayo Williams John Hammond Helen Oakley Dance and a whole army of lesser known but often hugely influential A R representatives the music of Bessie Smith and Bob Wills of the Carter Family and Count Basie of Robert Johnson and Jimmie Rodgers may never have found its way onto commercial records and into the heart of America s musical heritage This is their story **Communication Disability and the Psychiatry of Old Age** Karen Bryan,Jane Maxim,2010-09-07 This book

discusses management of communication disorders in the psychiatry of old age The contribution of the speech and language therapist is the focus of the book but this is described within the context of the multidisciplinary team Language change and language assessment in psychiatric disorders associated with old age especially dementias are described in detail The form of service delivery offered is fundamental to the speech and language therapy intervention that can be offered to this complex and often neglected client group A management perspective and service delivery in the USA and in the UK are described Working with carers service delivery in the community an innovative scheme involving residential homes a review of how community care initiatives have affected speech and language therapy services and an analysis of service audit are all included As well as giving a description of speech and language therapy intervention with the elderly who have psychiatric disorders the book also highlights the issues and challenges facing clinicians who work within the reformed health service It should be of considerable interest to speech and language therapists other health care professionals and students who work

with older mentally ill people Purchasers and managers who are commissioning and providing services for the older population with psychiatric disorders should also find the book useful
