

AACSB Anthropology Health Sciences/Biology Placement

The Anthropology Placement Test is designed to determine if you are qualified for anthropological coursework within:

The following questions are based on those given during introductory tests. If you need more time to practice, you should work on your test before. The answers to the questions appear on the back of this material.

When answering each of these 25 items, use your knowledge, obtained by your introductory test, to select the most appropriate (one) question. Remember, the questions are designed to assess all of the skills and abilities in your introductory test. The test is designed to assess your ability to answer the questions. The questions are designed to assess your ability to answer the questions.
