

How to Calculate APS Score?

Calculating your APS score might not be as intimidating as it seems. Here is a breakdown of how you can determine your APS score.

- The total number you get in each subject ranges from 0 to 100.
- Each mark on the point score ranges from 1 to 7 (1 being lowest and 7 being highest. For instance, if you have received 45% in English, your marks on the point score will become 3.
- The total APS score is calculated by adding all the points (obtained) in your six compulsory Matric subjects. Please note that Life Orientation is not included in your APS score.
