**Right-hand and left-hand sides** are determined by facing in the direction of forward travel.

**Warranty** is provided as part of John Deere's support program for customers who operate and maintain their equipment as described in this manual.

The warranty does not cover:

A—Products which have been altered or modified in ways not approved by John Deere, including setting fuel delivery above specifications or otherwise over-powering of products.

C—Normal maintenance and replacement of service items such as filters, spark plugs, belts, brake linings, cutting blades and hoses unless such items are defective.

D—Transportation, mailing and service call charges for warranty service.

**Tire manufacturer's warranty** supplied with your tractor may not apply outside the U.S.A. and Canada.

**Write machine numbers** of your tractor in the Specifications section. Your dealer needs these numbers when you order parts.
