Math Mammoth Grade 4-B Worktext, International Version Maria Miller, 2024-05-26 Math Mammoth Grade 4 B Worktext International Version is the student worktext for the second half of grade 4 and part of the Math Mammoth Grade 4 complete curriculum This book covers division geometry fractions and decimals The worktext contains both the necessary instruction and the problems and exercises the text and the work thus a worktext and is for the most part self teaching Please note this is a student worktext and does not contain the answers The answer key book is available separately Features Math Mammoth focuses on conceptual understanding It explains the WHY so your children can understand the maths not just learn HOW to do it Concepts are often explained with visual models followed by exercises using those models These visual models can take the place of manipulatives for many children however it is very easy to add corresponding manipulatives to the lessons if so desired The curriculum is mastery oriented This means it concentrates fairly long on a topic delving into its various aspects This promotes conceptual understanding as opposed to spiral curricula that often tend to jump from topic to topic too much There is a strong emphasis on mental maths and number sense It requires very little teacher preparation which is a big help to most parents The curriculum has no separate teacher's manual nor is it

scripted The introduction to each chapter has some notes for the teacher concerning the material in the chapter All the instruction is written directly to the student in the worktext and there also exist accompanying videos where you can see Maria herself teach the material After each chapter introduction you will find a list of Internet links and resources games quizzes animations etc that can be used for fun illustrations and further practice For multiplication tables and division facts you can use our online practice program free The other parts of Math Mammoth International Version Grade 4 curriculum are grade 4 A student worktext grade 4 answer keys and grade 4 tests and cumulative revisions Math Charles I.
