The HR Training and Development section forms part of the HR Strategy and Development Directorate with Leadership Development and Organisation Development. As part of its ongoing commitment to the development of staff in the University, HR Training and Development provides soft skills training programmes for all staff, which should be requested through the University's Performance Management Development System (PMDS). **Soft skills** refer to skills, such as, management, interpersonal and personal development skills that determine strength as a leader, supervisor, negotiator, conflict manager and project manager.

Alongside development initiatives under PMDS, HR Training and Development provides one and two hour skills seminars and health and well being seminars for all staff covering topics such as financial management, pensions, information compliance and work/life balance. These programmes are requested directly through the HR staff development webpage <http://www.ucd.ie/hr/staffdev/>. Job specific or non-standard training can also be provided once an analysis of the type of training requested has taken place. HR Training and Development also supports the *Staff Fee Concessions Policy*, *The Conference Allowance Policy* and *The Study and Exam Leave Policy*.
