Modern Italian Grammar A Practical Guide:

Modern Italian Grammar Anna Proudfoot, Francesco Cardo, 2005-08-17 This second edition of the Modern Italian Grammar A Practical Guide is an innovative reference guide to Italian combining traditional and function based grammar in a single volume

Modern Italian Grammar Anna Proudfoot, Francesco Cardo, 2013-09-13 This new edition of the Modern Italian Grammar is an innovative reference guide to Italian combining traditional and function based grammar in a single volume With a strong emphasis on contemporary usage all grammar points and functions are richly illustrated with examples Implementing feedback from users of the first edition this text includes clearer explanations as well as a greater emphasis on areas of particular difficulty for learners of Italian Divided into two sections the book covers traditional grammatical categories such as word order nouns verbs and adjectives language functions and notions such as giving and seeking information describing processes and results and expressing likes dislikes and preferences This is the ideal reference grammar for learners of Italian at all levels from beginner to advanced No prior knowledge of grammatical terminology is needed and a glossary of grammatical terms is provided This Grammar is complemented by the Modern Italian Grammar Workbook Second Edition which features related exercises and activities

Modern Italian Grammar Workbook Anna Proudfoot, 1999 An innovative book of exercises and language tasks ideal for all learners who have a basic knowledge of Italian Can be used independently or alongside Routledge's Modern Italian Grammar

Modern Italian Grammar Francesco Cardo, Anna Proudfoot, 2002-09-11 An innovative practical reference grammar combining traditional and function based grammar in a single volume this is the ideal reference grammar for intermediate and advanced learners at advanced secondary level and above

Modern Italian Grammar Anna Proudfoot, 1999

Basic Italian Stella Peyronel, Ian Higgins, 2005 Basic Italian provides readers with the basic tools to express themselves in a wide variety of situations The book contains 23 individual grammar points in lively and realistic contexts

Syntactic Analysis and Description David Lockwood, 2005-12-07 This book is designed to teach undergraduate and beginning graduate students how to understand analyse and describe syntactic phenomena in different languages The book covers every aspect of syntax from the basics to more specialised topics such as clitics which have grammatical importance but cannot be used in isolation and negation in which a construction contradicts the meaning of a sentence The approach taken combines concepts from different theoretical schools which view syntax differently These include M A K Halliday's systemic functional linguistics the stratificational school advocated by Sydney Lamb and Kenneth L Pike's tagmemic model The emphasis of the book is on syntactic structures rather than linguistic meaning and the book stresses the difference between a well formed sentence and a meaningful one The final chapter brings these two aspects together to show the connections between syntax and semantics Each chapter concludes with exercises from a diverse range of languages and a list of major technical terms The book also includes a glossary as an essential resource for students approaching this difficult subject for the first time

Perfect Your Italian 2E: Teach Yourself

Sylvia Lymbery, 2010-05-28 Are you looking for an improver's course in Italian which will make you sound like a native? If you already know some Italian and want to take it further, Perfect your Italian will guarantee success. Taking you from a good GCSE level (level B2 of the Common European Framework) this course teaches you advanced structures and vocabulary so that by the end of the course you will be at GCE Advanced Level (CEF level C1). Can express him/herself fluently and spontaneously without much obvious searching for expressions. Can use language flexibly and effectively for social, academic and professional purposes. Full of authentic texts and dialogues about complex subjects, this course covers a wide range of topics of the sort you will want to talk about when in Italy and teaches you the kind of everyday language and features of speech that will enable you to communicate with confidence and feel comfortable taking part in conversation with native speakers of Italy. The choice of material aims to give you something of the flavour of Italy today and each unit is based around a single theme with lively interviews and conversations on the accompanying recording. There are activities based on the interviews and texts to help you remember what you've learnt and put your knowledge into practice. The units are divided into sessions to help you organize your learning time and break up the material into manageable chunks and there are reminders throughout to refresh your memory of points you have learnt. Now fully updated to make your language learning experience fun and interactive. You can still rely on the benefits of a top language teacher and our years of teaching experience but now with added learning features within the course and online. Learn effortlessly with new easy-to-read page design and interactive features. p NOT GOT MUCH TIME One five and ten minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success based on the author's many years of experience. GRAMMAR TIPS Easy to follow building blocks to give you a clear understanding. USEFUL VOCABULARY Easy to find and learn to build a solid foundation for speaking.
