

- "since" : conjunction : shows the passage of time. Time had passed since the first time he got the message but it was still close to his heart.

Times since have said,

- Time : personification : time had said this to him.
- There were numerous occasions that he had received the message that life wasn't going to be easy. Time had given him this wisdom and the poet was thankful for that.
- "have said" : repetition : confirms the enduring message that life has always echoed to all men.

In that mysterious voice you shed

- "you" : referring to the world
- "mysterious voice" : characterises the world and adds to the sense of spiritual reflection
- He connects this voice to divinity / a higher power - conflating the world with God.

From clouds and hills around:

- "sky, clouds, leaze, hills" : references to the elements of nature that suggests a higher power /divinity perhaps.
- "You shed from clouds and hills around" : shows how life itself is reflected in nature which speaks to the man every day, reminding him of his mortality.
- ":" : column : suggests what the world tells him. The world was going to talk to him now. The entire poem is in the form of a conversation/dialog.

Many have heard his message

- The poet is telling the world that it must have brought him something that would make his responsibilities to men all possible.

Many will never know

- Many have tried to understand all possible things
- "Many will never know" : because, although the poet has received the message
- "Many" : repetition : emphasis.

While some have chosen to forget it

- There are a few people who have chosen to forget what he has received the message - a conversation with the "You" because they have not been a good role model. They have not been very high, committed, responsible.

Nothing dropped on his ground

- Nothing new
- "Nothing dropped on his ground" : repetition : of death
- "Nothing" : repetition : death, people have nothing, completely about nothing, a good life that makes sense of their death now.

He will provide answers

- The world is telling the poet that it must have brought him something that would make his responsibilities to men all possible.
