

HOLY SPIRIT LESSON 2

Question- have you ever run away from home? I did as a kid and did not get far into the field before I realized I could not survive on my own and so headed back to the security of my home. I thought about it a few more times but it never made enough sense to really do it.

Taste Test.

The topic of the “Holy Spirit” is one that makes many people uncomfortable.

Many of us know what it’s like to see some pretty yucky things happening, all supposedly being led by the Holy Spirit. We’ve said to ourselves, “If that’s the Holy Spirit, then I don’t want any!”

You’ve tasted of the wrong thing. It wasn’t the Holy Spirit.

Come and see what the Holy Spirit really tastes like. The Holy Spirit produces “fruit”. Come and take a taste and see if you like it.

According to Luke David Gooding, With a profound understanding of both the Scriptures and the classical world that influenced Luke this exposition leads us through the artistry of Luke's presentation However familiar the terrain of this Gospel we will find that having an experienced guide makes a difference By bringing out the significance of the narrative as a whole David Gooding's analysis will help us to arrive at a confident understanding of Luke's message and open up insightful lines of application at each step along the way Right from the start of his Gospel Luke makes it clear that the story of Jesus is neither ancient myth nor contemporary fable It is straightforward history To emphasize this he provides us with historical coordinates He informs us for example that when John began publicly to introduce Christ to His nation it was in the fifteenth year of Emperor Tiberius' reign while Pontius Pilate was governor of Judaea during the high priesthood of Annas and Caiaphas This is then an historical account But what does Luke's history of Jesus mean And how can we be certain that we have understood the message that he has presented in his account of Christ's life David Gooding asks us to begin by recalling that Luke is an ancient and not a modern historian A modern historian might compile a list of the things that Jesus did and taught and then add his own explanations But Luke has more in common with ancient historians such as Thucydides and writers of Old Testament books such as Judges and 1 and 2 Samuel With minimal comment he has grouped the material about Christ in a way that leads thoughtful readers to discover for themselves the point and purpose of each incident Luke is then both historian and artist It has often been lamented that Christ's public ministry on earth was so short lived and His death at the hands of His enemies a tragedy But Luke will not have it so Following Christ's own statements he divides his Gospel into two parts the coming of Christ from Glory into our world and His going back to Glory David Gooding shows that by arranging the events of each part into discreet stages and movements Luke is proclaiming that Christ was carrying out a definite mission His going by way of His cross resurrection and ascension was as deliberate as His coming

Brown,2024-11-27 *Stages of Life* is a workbook written for men who are struggling to find their pathway to life due to absent fathers in the home and a lack of knowledge about navigating through the normal phases of life In today s society it has become difficult for men to figure out their significance and with the rise of single parent households with the mother being the dominant force in the home due to no male presence it can change the role of men in society and hinder their growth process while causing them to be dependent on their mothers care way past their normal age standard Some men grow up in an environment where they are also unable to get guidance and support on what it means to be masculine walking with good posture being a leader or a protector and to be responsible for your life The absence of a father figure or a good male role model leaves the young man in a place of searching for his identity This is why *Stages of Life* was written in order to help men bring clarity to their understanding of who they are and why they were created to fulfill a purpose in life The workbook will explain the three phases of life that we are presented with but you have a choice on whether or not you will live out your life through these phases The author then coaches you through each of the six stages by helping you evaluate the choices you make and by giving you testimonies of his own personal experiences that

hindered his life from moving and the choices he made that propelled him to find his purpose in life Understanding the stages that you go through in life is so important and many men miss these details which cause them to be stuck in a job or career they don't like This limits their exposure to other possibilities they were designed for It then leaves them with the question Why was I born Stages of Life will help you find the purpose for your life if you are willing to make a choice to read and complete this workbook If you want to experience a life changing experience today obey the Holy Spirit who is prompting your heart right now to buy this workbook Stop making excuses like I don't have time to read or This won't help me Listen It may be a struggle getting there but it's worth it Stages of Life was written to help men like you find their pathway and guide them down the right road to fulfill the plan God has for them A powerful leader said this statement that changed my life Discipline is the bridge between thought and accomplishment If you want to change you must make a choice to take the right road that leads to the path of kingdom life *The Best Way to Learn and Teach God's Word* David Hawkins, 2021-04-12 An effective method for learning God's Word is to use a systematic strategy that involves seven consecutive steps A good way to remember the order in which these seven steps should be taken is by referring to the acrostic PRIME AT When you PRIME AT God's Word you are preparing to better understand and use God's Word The seven steps outlined in the acrostic are Pray Read Interpret Meditate Explore Apply and Teach You should Pray that the Holy Spirit will guide your learning of God's Word Read different versions of the Bible Interpret scripture in your own words Meditate on the meaning and purpose of the scripture Explore commentaries study guides and other biblical references Apply God's Word to your life Teach others what you have learned An effective way to teach God's Word is to engage people in active learning This is best done by designing a pedagogical method that addresses the following questions What do you want people to be able to do when they have finished the lesson What will they need to know in order to do what should be done How can you facilitate their learning How do you assess learning Establishing a set of learning outcomes is required to answer the first question To answer the second question one must identify the body of knowledge that must be acquired to accomplish the learning outcomes This requires identifying a set of learning objectives that must be achieved The best way to facilitate learning is to provide guided learning materials that address both learning outcomes and learning objectives and ask probing questions And finally some type of quiz or test needs to be developed in order to properly assess learning **Teaching the Bible** W.
