## Catering and hospitality procedure

Version: 3.0 | Version effective: 11/07/2022

### Audience

Department-wide

### Purpose

This procedure outlines the requirements, responsibilities and processes for Department of Education (the department) employees when providing catering and hospitality using public funds or resources.

### Overview

In the course of their official business, schools and business units are often required to undertake activities where catering and hospitality can be an appropriate inclusion. This may include hosting visitors, assisting students through providing a breakfast club, or organising meetings or events such as open days and awards nights.

Public funds and resources must only be used to provide catering and hospitality for an activity in accordance with the six principles of the [Appropriate and ethical use of public resources policy](#). Schools and business units must ensure that funds and resources are used for official purposes, there is stewardship, compliance, accountability and defensibility, and any conflicts of interest are removed or addressed. Catering must always be appropriate to the circumstances of the activity.

It is acceptable to provide reasonable catering where participants are attending to official business outside of their normal working hours, such as school staff supervising during an evening school concert or a weekend open day.

This procedure does not cover circumstances where an employee receives an offer of catering or hospitality. If offered a gift of catering or hospitality, employees should refer to the requirements of the [Gifts and benefits procedure](#).

### Responsibilities

#### All employees

- must apply the principles of the [Appropriate and ethical use of public resources policy](#) when deciding what, if any, catering is appropriate for an activity
- must make decisions about appropriate catering based on the key considerations set out in this procedure and the [Catering guidelines](#)

Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Hospitality Procedure Guide : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Hospitality Procedure Guide : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
