What step won't Fitch let you perform? Why? Is the conclusion a consequence of the premises? Discuss this example in the form of a clear English paragraph, and turn your paragraph in to your instructor.

Use Fitch to give formal proofs for the following arguments. You will need to use subproofs to prove these.

## SECTION 6.5

### Strategy and tactics

Many students try constructing formal proofs by blindly piecing together a sequence of steps permitted by the introduction and elimination rules, a process no more related to reasoning than playing solitaire. This approach occasionally works, but more often than not it will fail—or at any rate, make it hard to find a proof. In this section, we will give you some advice about how to go about finding proofs when they don't jump right out at you. The advice
