Beaver,Kathleen R. Culliton,1996 Clearly written accessible and comprehensive The

Long Term Care Nursing Assistant Training Manual is the ideal tool for training nursing facility and home health care staff. Thirty four easy to follow modules include descriptions of all of the important procedures nursing assistants need to master. Sensitively written modules on caring for people with dementia, working with depressed residents and communicating with co workers, residents and their families provide nursing assistants with strategies for improving the quality of care they provide while avoiding frustration and burnout. Written for nursing assistants by nurses, the manual includes short user friendly modules that state learning objectives, define glossary terms and include quizzes making The Long Term Care Nursing Assistant Training Manual the perfect training manual for direct care providers.
