

Macbeth - Making Meaning: Act 5

Reviewing the Text

- a. Why, according to the doctor, is Lady Macbeth walking in her sleep?
Her mind is "infected" with evil; she has a guilty conscience.
 - b. In Scene 2, what opinion of Macbeth do the Scottish lords now hold?
That he is a tyrant, mad, and a murderer.
 - c. When does Lady Macbeth die?
She dies during scene 5 when the enemies are approaching.
 - d. What is Macbeth's plan for dealing with the attacking troops? Why has he been forced to choose this plan?
In Scene 5, ll. 2-7, he plans to let them besiege the castle and drive them home. This is both because the castle is strong and because he has lost all his troops (they have defected to help Malcolm). In Scene 5, ll. 51-52, he decides to fight because he fears that fate is against him yet feels protected by the second apparition's prophecy.
 - e. What changes in his personality does Macbeth describe in Scene 5, lines 9-15?
He has forgotten what it is like to fear; he is sick of life.
 - f. In the speech in Scene 5, that begins "Tomorrow, and tomorrow, and tomorrow" (lines 19-28), how does Macbeth describe life? What metaphors does he use?
Brief, dreary, and meaningless. Life is like a brief candle, a poor actor who plays his part and exists from the stage, a story that an idiot tells- noisy, but without meaning.
 - g. How are the prophecies proclaimed by the three apparitions in Act 4, Scene 1, fulfilled in Act 5?
Macduff kills Macbeth; Macduff was not born, but ripped from his mother's womb (removed by surgery, not delivered through the birth canal). Birnam Wood came to Dunsinane, as the army uses branches to disguise its advance.
 - h. At the end of the play, what has become of Macbeth? Who becomes king?
He has been killed and beheaded by Macduff. All the suffering and guilt had been for nothing; just as Duncan predicted, Malcolm takes the throne.
-

First Thoughts

1. How do you feel about what happens to Macbeth's body after he is dead?
Students may pity Macbeth and be repulsed by the violence, or they may feel that he deserves such a death.

Shaping Interpretations

2. Theatrically, the spectacle of Lady Macbeth walking in her sleep is one of the most striking scenes in the play. It is entirely Shakespeare invention, not found or suggested in his source. Why do you suppose Shakespeare has her walk in her sleep? How is this scene related to the remarks that Macbeth makes about sleep in Act 2, Scene 2, just after he kills Duncan?
It emphasizes how she has change; she had been the cool, collected planner, protecting Macbeth from betraying himself. Now she betrays herself and him unawares. Perhaps her sleepwalking represents the sleep disturbance that they both endure. It is an effective way to play on the theme of Macbeth murdering sleep.
