Act IV Reading Guide

MACBETH ACT IV REFLECTION & ANALYSIS

1. In Shakespeare's time, people believed strongly in fate and destiny and held fast to the idea that people's roles in life were meant to stay rigid, especially in the realm of social class. Examine the role of the witches as they relate to fate or destiny. Do they help fate or destiny to come to fruition or are they meddling with the natural order of the universe?
2. The roles and expectations of men and women are revealed through Macduff and Malcolm when they receive the news of Macduff's family's murder. Give at least three references to gender roles. Then compare and contrast each character's view of gender.
