Fields,2010-10-21 In the Prologue in 1778 a young teenager Bruce Jenkins travels to Valley Forge to enlist in the Colonial
Army He finds an army lacking supplies lacking discipline and lacking much enthusiasm Desertions are weakening the army
and hunger is turning many of the men into scavengers and thieves New orders come from Washington s Headquarters that
deserters and thieves will be shot Starving and in great pain Bruce goes hunting food in a nearby farm and is killed His body
is buried on the farm The theme of the Chicken Thief Soldier a theme of courage and strength and the dedication of youth is
a strong one and it is a recurring theme throughout the book In 1960 during the Thanksgiving holiday Drew Benson and his
parents are driving through Valley Forge Park during a bad storm There is an accident and both his parents are killed Bruce
is taken in by the Collier family their son Shane being Drew s best friend Bruce has recurring nightmares about the accident
Shane tries to help and then a coach at George Washington Junior Senior High School Homer Matthews persuades Drew to
go out for junior high football He also persuades Drew to begin a conditioning program in the mornings before school At first
Drew is painfully inept but gradually he acquires the strength and confidence to become a good runner A gifted history
teacher Professor JJ introduces Drew to Ben Franklin and Drew plans the famous kite experiment as his class project On a
bad weather day the kite reenactment gets out of control injures Professor JJ and makes Drew a permanent enemy of the
class bully Frank West Jr the principal s son Because of this the principal begins to detest Drew Drew becomes entangled in a
complicated romance with May Wiggins who prefers the more stronger and athletic Shane Drew survives this problem and
he and Shane still remain friends Drew eventually meets Joyce Thompson and they become close friends The principal Mr
Frank West Sr shows his hostility when Drew is brought to the office for fighting with Frank Jr Drew is paddled severely and
the punishment only stops when Coach Matthews enters the office There are more complications in school some brutal some
humorous some romantic but Drew and Shane handle them together There are cut days and trips to Philadelphia summer
weeks at the Jersey Shore log cabin sleep outs at Valley Forge Park and a major trophy buck hunt on protected Park grounds
There is also the suicide attempt at the Memorial Arch when Jackson a Korean War veteran tries to hang himself Drew and
Shane show their character and strength as they progress from one challenging incident to another Upon graduation from
George Washington High School Shane enlists in the Army and goes to fight in Vietnam As his mother had wished Drew goes
to college to study to become a teacher At the end of four years he enlists in the Army and joins Shane in Vietnam In 1975
George Washington High School is demolished and a newer bigger Valley Forge High School is built in its place At this time
Drew returns to Valley Forge with a Vietnamese wife and child Shane comes back in a coma and is admitted to Valley Forge
Veterans Hospital which is across the street from the school The war years are covered by flashbacks and the circumstances

of what happened to Shane and Drew in Vietnam are explained and clarified It is a gradual process of discovery both comical and tragic Drew returns to Valley Forge with a Vietnamese wife and child Homer Matthews now the assistant principal invites Drew to substitute teach at Valley Forge Both the principal Frank West Sr and Coach Chuck confront Drew immediately and warm him about causing trouble The principal just plain hates Drew and Coach Chuck is worried that Drew might interfere with his football team which is enjoying an undefeated season The championship game is scheduled for Fri
