Norway Judy Lomax, 2022-07-28 This well established cruising guide covers the coast of Norway northwards from the Swedish border in the Skagerrak around the North Cape to the Russian border. It includes coverage of the Lofoten and Vesterlen islands, the Arctic archipelago of Svalbard and the remote volcanic island of Jan Mayen. Author Judy Lomax continues to sail this beguiling coastline of majestic fjords and multiple islands and uses her extensive network of contacts built up over more than 30 years to help monitor changes in the region. This fourth edition incorporates numerous updates to her previous work and expands on the detail for some areas such as the Oslo Fjord and the Telemark Canal. There is a wealth of new photographs and revised Itinerary plans throughout. Whether you are on a private vessel or one of the many ships cruising this stunningly beautiful region, Norway is a trusted and proven companion. Any yachtsman even contemplating a visit to this loveliest of cruising areas could be considered negligent if he did not buy this book.

RHR Cruising: The author finds it difficult to avoid superlatives when talking about Norwegian scenery. I find it equally difficult to avoid superlatives when talking about this book. I am impressed. Also, most Norwegians may learn a lot of facts from this excellent book. This will remain a classic and will come in new editions in the foreseeable future.

Customer feedback: For anyone sailing in Norwegian waters, this book is an absolute must. It is the perfect example of a truly excellent pilot from which practically nothing can be found missing.
