Humour A Very Short Introduction

Ted Nannicelli

Humour A Very Short Introduction:

Humour Noël Carroll, 2014-01-23 Humour has been discovered in every known human culture and thinkers have discussed it for over two thousand years Humour can serve many functions it can be used to relieve stress to promote goodwill among strangers to dissipate tension within a fractious group to display intelligence and some have even claimed that it improves health and fights sickness In this Very Short Introduction Noel Carroll examines the leading theories of humour including The Superiority Theory and The Incongruity Theory He considers the relation of humour to emotion and cognition and explores the value of humour specifically in its social functions He argues that humour and the comic amusement that follows it has a crucial role to play in the construction of communities but he also demonstrates that the social aspect of humour raises questions such as When is humour immoral and Is laughing at immoral humour itself immoral ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Comedy: A Very Short Introduction Matthew Bevis, 2013 With a broad scope across the millennia from high literature to popular culture between page and stage and screen this Very Short Introduction considers comedy not only as a literary genre but also as a broader impulse at work in many other historical and contemporary forms of satire parody and play

Humour: A Very Short Introduction Noël Carroll, 2014 Humour is a universal feature of human life In this Very Short Introduction Noel Carroll considers the nature and value of humour from its leading theories and its relation to emotion and cognition to ethical questions of its morality and its significance in shaping society *Humour* Terry Eagleton, 2019-05-14 A compelling guide to the fundamental place of humour and comedy within Western culture by one of its greatest exponents Written by an acknowledged master of comedy this study reflects on the nature of humour and the functions it serves Why do we laugh What are we to make of the sheer variety of laughter from braying and cackling to sniggering and chortling Is humour subversive or can it defuse dissent Can we define wit Packed with illuminating ideas and a good many excellent jokes the book critically examines various well known theories of humour including the idea that it springs from incongruity and the view that it reflects a mildly sadistic form of superiority to others Drawing on a wide range of literary and philosophical sources Terry Eagleton moves from Aristotle and Aquinas to Hobbes Freud and Bakhtin looking in particular at the psychoanalytical mechanisms underlying humour and its social and political evolution over the centuries *Work: A Very Short Introduction* Stephen Fineman, 2012-11-29 The image of a job captures our imagination from an early age usually prompted by the question What do you want to be when you grow up Work paid unpaid voluntary or obligatory is woven into the fabric of all human societies For many of us it becomes part of our identity For others it is a tedious necessity Living is problematic without paid work and for many it is catastrophic Steve Fineman tells the fascinating story of work how we

strive for security reward and often meaning Looking at how we classify work the cultural and social factors that influence the way we work the ethics of certain types of work and the factors that will affect the future of work from globalization to technology this Very Short Introduction considers work as a concept and as a practical experience drawing upon ideas from psychology sociology management and social history ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Humour in the Beginning Roald Dijkstra, Paul van der Velde, 2022-10-15 Humour in the Beginning presents a multidisciplinary collection of fourteen in depth case studies on the role of humour both benign and blasphemous elitist and ordinary orthodox and heterodox in early formative stages of Christianity Islam Buddhism Hinduism and late antique Judaism Its coherence is strengthened by four preceding theoretical essays many cross references and a conclusion Thus the volume allows for a methodologically sound comparison and explanation of historical views on humour in the world's most important religions At first sight the foundational period of religions do not seem to offer much opportunities for humour A closer look on primary sources however reveals the ways in which people formulated answers to existing ideas on humour and laughter in moments of religious renewal Main topics include the incongruous nature of the divine the role of anthropomorphism superior and didactic humour moderate laughter responses from dissenters and the gap between religious regulations and reality

The Palgrave Handbook of Humour, History, and Methodology Daniel Derrin, Hannah Burrows, 2021-01-12 This handbook addresses the methodological problems and theoretical challenges that arise in attempting to understand and represent humour in specific historical contexts across cultural history It explores problems involved in applying modern theories of humour to historically distant contexts of humour and points to the importance of recognising the divergent assumptions made by different academic disciplines when approaching the topic It explores problems of terminology identification classification subjectivity of viewpoint and the coherence of the object of study It addresses specific theories together with the needs of specific historical case studies as well as some of the challenges of presenting historical humour to contemporary audiences through translation and curation In this way the handbook aims to encourage a fresh exploration of methodological problems involved in studying the various significances both of the history of humour and of humour in history

Humor and the Common Good Michael K.

Cundall, Jr., 2025-08-04 The role of humor as helpful in our individual lives has long been touted Satirists and comics have also been known to play important roles in our society But what hasn't been explored is why and how humor and mirth are important to the overall health of the public This book explores the idea of humor as a public good A good that promotes the health and well being of the society and its individual members The book begins with an exploration of the notion of a public good and then argues for a particular view of what a public good is Topics covered will include the importance of humor and

mirth to an individual's happiness the role of satire and the comic in our world and how these two pieces together work to promote the public good Content will be devoted to covering what humor is and how it works and why the way it works is also important to the public good Ultimately the argument for humor as a public good is to help grow the purview of humor studies more generally as well as provide a novel argument about the relevance and importance of humor in our public and private lives

The Palgrave Handbook of Humour Research Elisabeth Vanderheiden, Claude-Hélène Mayer, 2024-05-31 This handbook is the updated and expanded second edition of a highly cited and impactful collection which provides new perspectives on humour from transdisciplinary perspectives The collection's focus is on humour as a resource from different socio cultural and psychological viewpoints bringing together authors from different cultures social contexts and countries The handbook enables researchers and practitioners to unlock research findings which give new directions for contemporary and future humour research By employing transdisciplinary and transcultural perspectives the volume further discusses humour in regard to different cultural and political contexts humour over the lifespan in therapy and counselling in pedagogical settings in medicine and the workspace The contributions also highlight the connections between humour and the COVID 19 pandemic and promise new inspiring insights This second edition includes a new introduction from the editors updates to the majority of the chapters and five new chapters which take a humour research approach to contemporary issues such as the Russian Ukrainian crisis the consequences of the pandemic and tackles developments related to artificial intelligence and gamification With an expanded scope this handbook will continue to appeal to researchers practitioners and students in the fields of industrial and organisational psychology positive psychology organisational studies future studies health and occupational science and therapy who will find each chapter highly topical insightful and applicable to practice

Artistic Creation and Ethical Criticism Ted Nannicelli, 2020-05-05 Artistic Creation and Ethical Criticism a study in philosophical aesthetics investigates an idea that underpins the ethical criticism of art but that is rarely acknowledged and poorly understood namely that the ethical criticism of art involves judgments not only of the attitudes a work endorses or solicits but of what artists do to create the work The book pioneers an innovative production oriented approach to the study of the ethical criticism of art one that will provide a detailed philosophical account of the intersection of ethics and artistic creation as well as conceptual tools that can guide future philosophizing and criticism Ted Nannicelli offers three arguments concerning the ethical criticism of art First he argues that judgments of an artwork's ethical value are already often made in terms of how it was created and examines why some art forms more readily lend themselves to this form of ethical appraisal than others He then asserts that production oriented evaluations of artworks are less contested than other sorts of ethical criticism and so lead to certain practical consequences from censure dismissal and prosecution to shifts in policy and even legislation Finally Nannicelli defends the production oriented approach arguing that it is not only tacit in many of our art appreciative practices but is in fact rationally warranted There are many cases in which we should ethically critique artworks

in terms of how they are created because this approach handles cases that other approaches cannot and results in plausible judgments about the works relative ethical and artistic value The concise powerful arguments presented here will appeal to moral philosophers philosophers of art and aesthetics and critics interested in the intersection of artistic production and criticism and ethics **Laughter, Humor, and Comedy in Ancient Philosophy** Pierre Destrée, Franco V.

Trivigno, 2019-08-06 Ancient philosophers considered question about laughter humor and comedy to be both philosophically interesting and important They theorized about laughter and its causes moralized about the appropriate uses of humor and what it is appropriate to laugh at and wrote treaties on comedic composition They were often merciless in ridiculing their opponents positions borrowing comedic devices and techniques from comic poetry and drama to do so This volume is organized around three sets of questions that illuminate the philosophical concerns and corresponding range of answers found in ancient philosophy The first set investigates the psychology of laughter What is going on in our minds when we laugh What background conditions must be in place for laughter to occur Is laughter necessarily hostile or derisive The second set of questions concerns the ethical and social norms governing laughter and humor When is it appropriate or inappropriate to laugh Does laughter have a positive social function Is there a virtue or excellence connected to laughter and humor The third set of questions concerns the philosophical uses of humor and comedic technique Do philosophers use humor exclusively in criticizing rivals or can it play a positive educational role as well If it can how does philosophical humor communicate its philosophical content This volume does not aim to settle these fascinating questions but more importantly to start a conversation about them and serve as a reference point for discussions of laughter humor and comedy in ancient philosophy **The Palgrave Handbook of Music in Comedy Cinema** Emilio Audissino, Emile Wennekes, 2023-10-24 This

handbook tackles the understudied relationship between music and comedy cinema by analysing the nature perception and function of music from fresh perspectives Its approach is not only multidisciplinary but also interdisciplinary in its close examination of how music and other cinematic devices interact in the creation of comedy The volume addresses gender representation national identities stylistic strategies and employs inputs from cultural studies musicology music theory psychology cognitivism semiotics formal and stylistic film analysis and psychoanalysis It is organised in four sections general introductions theoretical investigations music and comedy within national cinemas and exemplary case studies of films or authors **Typologies of Humor in African Literatures** Adwoa A Opoku-Agyemang, 2024-10-17 Typologies of Humor in

African Literatures is a study on the use of humor and comedy in African literary texts across the twentieth century Despite humor being omnipresent in African societies and their literatures discussions of contemporary African literature have largely dismissed it as being too lighthearted compared to the more serious issues of post colonial history class inequality and politics Adwoa A Opoku Agyemang while acknowledging the seriousness of the subject matter establishes humor as an essential component of African fiction The book analyzes four comedic archetypes the Trickster who is unapologetically

amoral and entertaining the Mimic whose everyday dealings exude ambiguity the Interpreter who demonstrates the comic potential of language differences while showing how a single message can mean contrasting things and the Deviant who throws norms into question all the while reinforcing them These character types and the humor they produce present a constant pursuit of balance between contrasting worldviews and frames of reference within the imbrication of different languages classes political factions genders and un officialdoms The product of these rowdy relations are people who take the weirdness and run with it to generate diegetic and intradiegetic laughs By analyzing Francophone and Anglophone African writing and how it overlays local languages Opoku Agyemang contributes a uniquely African voice to the primarily Western dominated field of humor studies

In on the Joke: The Ethics of Humor and Comedy Thomas Wilk, Steven Gimbel, 2024-01-29 Who is morally permitted to tell jokes about Jews Poles Women Only those in the group Only those who would be punching up Anyone since they are just jokes All of the standard approaches are too broad or too narrow In on the Joke provides a more sophisticated approach according to which each person possesses joke capital that can serve as comic insurance covering certain jokes in certain contexts When Bob tells a joke about Jews we can never know exactly what Bob is intending since we cannot see inside Bob s mind But we could reasonably infer if we knew Bob himself was Jewish if he worked tirelessly for Jewish causes or was a card carrying Neo Nazi Each would affect his joke capital and in certain circumstances we would have a moral standing to demand to see his ledger to see how much joke capital he had with respect to Jews The permissibility of that joke depends upon four factors the joke the teller of the joke the audience and the setting The view developed in In on the Joke is the only view that clearly explains how each of these components work together in an integrated effective ethic of humor

Shakespeare and the Comedy of Enchantment Kent Cartwright, 2021 Shakespeare and the Comedy of Enchantment argues that enchantment constitutes a key emotional and intellectual dimension of Shakespeare s comedies It thus makes a new claim about the rejuvenating value of comedy for individuals and society Shakespeare s comedies orchestrate ongoing encounters between the rational and the mysterious between doubt and fascination with feelings moved by elements of enchantment that also seem a little ridiculous In such a drama lines of causality become complex and even satisfying endings leave certain matters incomplete and contingent openings for scrutiny and thought In addressing enchantment the book takes exception to the modernist vision of a deterministic disenchanted world As Shakespeare s action advances comic mysteries accrue uncanny coincidences magical sympathies inexplicable repetitions psychic influences and puzzlements about the meaning of events all of whose numinous effects linger ambiguously after reason has apparently answered the play s questions Separate chapters explore the devices tropes and motifs of enchantment magical clowns who alter the action through stop time interludes structural repetitions that suggest mysteriously converging even opaquely providential destinies locales that oppose magical and protean forces to regulatory and quotidian values desires thoughts and utterances that manifest comically monstrous events characters who return from

the dead facilitated by the desires of the living play endings crossed by harmony and dissonance with moments of wonder that make possible the mysterious action of forgiveness Wonder and wondering in Shakespeare's and other comedies it emerges become the conditions for new possibilities Chapters refer extensively to early modern history Renaissance and modern theories of comedy treatises on magical science and contemporaneous Italian and Tudor comedy

Comedy and Satire in Zimbabwe Rodwell Makombe, 2025-05-21 The book is about comedy the nation and resistance in Zimbabwe following the fall of Robert Mugabe in 2017 It explores how satiric comedies and comic texts in post Mugabe Zimbabwe contest hegemonic narratives of the nation and authorise alternative narratives from the margins Drawing on postcolonial theories of the nation it analyses subversive comedies and social media texts that contest official political narratives in Zimbabwe including the comedies of four Zimbabwean comedians Kapfupi and Marabha Doc Vikela and Sabhuku Vharazipi as well as social media texts on President Mnangagwa's Facebook Page and cartoons published by the Zimbabwean newspaper ZimDaily Primarily found via social media platforms Facebook and Youtube these texts centre alternative views and narratives of ordinary citizens contesting established truths and providing a counter narration to official hegemonic discourses of the nation Where existing scholarship on post Mugabe politics in Zimbabwe focuses on issues such as the coup militarisation and discourses of newness little attention has been paid to the forms of resistance used in everyday discourse by Zimbabweans and particularly via satire and comedy These comic texts shared by comedians and normal citizens on social media can provide a useful alternative perspective to make sense of the politics and political performances that characterize the new political dispensation after Mugabe

Shakespeare / Play Emma Whipday, 2024-07-11 What is a play How do Shakespeare's plays engage with and represent early modern modes of play from jests and games to music spectacle movement animal baiting and dance How have we played with Shakespeare in the centuries since And how does the structure of the plays experienced in the early modern playhouse shape our understanding of Shakespeare plays today Shakespeare Play brings together established and emerging scholars to respond to these questions using approaches spanning theatre and dance history cultural history critical race studies performance studies disability studies archaeology affect studies music history material history and literary and dramaturgical analysis Ranging across Shakespeare's dramatic oeuvre as well as early modern lost plays dance notation conduct books jest books and contemporary theatre and film it includes consideration of Measure for Measure A Midsummer Night's Dream Macbeth Titus Andronicus Merchant of Venice Twelfth Night Romeo and Juliet Othello King Lear and The Merry Wives of Windsor among others The subject of this volume is reflected in its structure Shakespeare Play features substantial new essays across 5 acts interwoven with 7 shorter playful pieces a prologue 4 act breaks a jig and a curtain call to offer new directions for research on Shakespearean playing playmaking and performance In so doing this volume interrogates the conceptions of playing of in Shakespeare that shape how we perform read teach and analyze Shakespeare today

Laughter and the Grace of God Brian Edgar, 2020-01-01

We cannot really love anybody with whom we never laugh and this is true of our relationship with God Thomas Aquinas spoke of the sin of having too little laughter as well as the danger of having too much while Martin Luther said If you re not allowed to laugh in heaven I don t want to go there Having a sense of humour is essential for maturity in faith and holiness but sadly the role that laughter plays in life and spirituality have often been neglected Laughter and the Grace of God restores laughter to its central place in Christian spirituality and theology by examining its role in Scripture and highlighting its presence in unexpected places including the story of Abraham and the formation of the covenant and the tragedy of Job Laughter can be found in the incarnation the resurrection and even the crucifixion Jesus is himself the great laugh maker and it is nothing less than a participation in the life and love of God

Riddles at work in the early medieval tradition Megan Cavell, Jennifer Neville, 2020-03-13 Capitalising on developments in the field over the past decade Riddles at work provides an up to date microcosm of research on the early medieval riddle tradition The book presents a wide range of traditional and experimental methodologies The contributors treat the riddles both as individual poems and as parts of a tradition but most importantly they address Latin and Old English riddles side by side bringing together texts that originally developed in conversation with each other but have often been separated by scholarship Together the chapters reveal that there is no single right way to read these texts but rather a multitude of productive paths This book will appeal to students and scholars of early medieval studies It contains new as well as established voices including Jonathan Wilcox Mercedes Salvador Bello and Jennifer Neville

Shakespeare in Jest Indira Ghose, 2021-09-08 Shakespeare in Jest draws fascinating parallels between Shakespeare s humour and contemporary humour Indira Ghose argues that while many of Shakespeare s jokes no longer work for us his humour was crucial in shaping comedy in today s entertainment industry The book looks at a wide variety of plays and reads them in conjunction with examples from contemporary culture from stand up comedy to late night shows Ghose shows the importance of jokes the functions of which are remarkably similar in Shakespeare s time and ours Shakespeare s wittiest characters are mostly women who use wit to puncture male pretensions and to acquire cultural capital Clowns and wise fools use humour to mock their betters while black humour trains the spotlight on the audience exposing our collusion in the world it skewers In a discussion of the ethics of humour the book uncovers striking affinities between Puritan attacks on the theatre and contemporary attacks on comedy An enjoyable and accessible read this lively book will enlighten and entertain students researchers and general readers interested in Shakespeare humour and popular culture

Unveiling the Magic of Words: A Overview of "**Humour A Very Short Introduction**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Humour A Very Short Introduction Introduction

In the digital age, access to information has become easier than ever before. The ability to download Humour A Very Short Introduction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Humour A Very Short Introduction has opened up a world of possibilities. Downloading Humour A Very Short Introduction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Humour A Very Short Introduction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Humour A Very Short Introduction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Humour A Very Short Introduction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Humour A Very Short Introduction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Humour A Very Short Introduction has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Humour A Very Short Introduction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Humour A Very Short Introduction is one of the best book in our library for free trial. We provide copy of Humour A Very Short Introduction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Humour A Very Short Introduction. Where to download Humour A Very Short Introduction online for free? Are you looking for Humour A Very Short Introduction PDF? This is definitely going to save you time and cash in something you should think about.
