Husky Mixer Manual:

The Anti-Romance Manual Aubrey Hoffmann, 2025-05-08 He wrote the rules I was hired to enforce them Breaking them was never part of the plan Ethan is British brilliant and built like temptation in a tailored suit As CEO of one of Manhattan's most powerful consulting firms he's made one thing brutally clear romance in the office is strictly off limits After a corporate scandal rocks the company Ethan creates The Anti Romance Manual a zero tolerance policy for workplace flings No flirtation No late night texts No exceptions And he handpicks me to help him write it I'm the new assistant with a sharp tongue a past I don't talk about and a talent for breaking down even the most stubborn men I thought I could handle working for Mr No Fun No Flings But what started as a professional project has become a slow burn battle of wills we're both losing Closed door meetings Accidental touches Late night confessions We crossed the line before we even touched When we finally gave in it wasn't a mistake it was inevitable And now I'm pregnant With twins Caught between boardrooms and baby bottles Ethan and I are forced to rewrite all the rules we thought we needed Because the truth is love doesn't care about company policy and some connections were never meant to be controlled
