Originally published by Floyd Clymer in 1969 with coverage for the 250 360 and 400cc single cylinder Motocross Enduro and

production through 1975 as the MH 1970 MI 1971 MJ 1972 and MK 1973 1975 series the original Clymer manual provided
coverage beyond its publication date and effectively included those models from 1965 through 1975 While this 2025 edition
includes all of the data from the original publication it has also been expanded to include the 1972 and later 125cc and 450cc

your classic motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at
enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality
digital or comb bound photocopies that are scanned or printed complete with greasy pages and thumbprints and as such are
deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series
and or model years However VelocePress com has been publishing reprints of motorcycle and automobile manuals since
2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality
