German Book Of Mormon:

World's Fair Ecclesiastical History of Utah ,1893 *The Mormon Delusion. Volume 4. the Mormon Missionary Lessons - A Conspiracy to Deceive.* Jim Whitefield,2012-10-01 The fourth in The Mormon Delusion series tracks the Mormon Missionary Lesson Manual as taught to investigators and lesson by lesson exposes and explains the truth behind the false teachings At every stage unsuspecting investigators are taught a fictional account of Mormon history and teachings by faithful missionaries who themselves have no idea they are teaching provable fiction This book exposes the underlying truth behind Joseph Smith s original fraudulent claims and modern day fictional Mormon teachings Evidence from within Mormon Church history and Mormon so called scripture proves conclusively that the Mormon Church continues in a conspiracy to deceive its own members missionaries and their investigators alike At the end of a journey through this book there will be nothing left for an investigator to take to the Lord in prayer in order to obtain an answer as to whether what the Mormon Church teaches is true Common sense and reason alone will be enough to determine the truth of the matter **The 1920 Edition of the Book of Mormon** Richard L. Saunders,2022-01-25 Members of The Church of Jesus Christ of Latter day Saints tend to see the Book of Mormon through the lens of personal use as a single textual and scriptural monolith the Book of Mormon That is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration In the process the point tends to get overlooked that while we may accept the text as inspired the physical embodiment of that text the Book of Mormon is a mortal reality The Book of Mormon while it has a spirit also has a mortal body or rather bodies existing in space and time As such it has a history and because it comes to us in the form of a book it also has a book history This study is divided into three parts The first part is a straightforward history of the edition s editing production and manufacturing processes It examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re impressions corrections transfers and one new format The narrative crowded into chapters one through four together leave Part II to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true blooded bibliophiles The details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in Part III together resolve once and for all the question of what constitutes the 1920 edition and what does not **Das Buch Mormon** Joseph Smith,2015-05-19 The Book of Mormon German edition **The Mormon Mirage** Latayne C. Scott,2010-08-03 In the first edition of The Mormon Mirage Latayne C Scott shared her remarkable journey out of Mormonism as she uncovered shocking inaccuracies inconsistencies and contradictions in the faith she had loved and lived Thirty years later Mormonism and Mormon scholarship have evolved with the times In this third revised and updated edition of her well known book Scott keeps pace with changes and advances in Mormonism and reveals formidable new challenges to its claims and teachings The Mormon Mirage provides fascinating carefully documented
